Clashes of Cavalry Thom Hatch,2020-01-28 The story of two remarkable men both natural born cavalry leaders of great courage who shared similar traits Their Civil War legacies were destined to be connected in a series of battles beginning with Brandy Station where Custer s star rose rapidly at Gettysburg where Stuart s star became tarnished and continuing to Yellow Tavern where Stuart was Killed Unlike most standard biographies Clashes of Cavalry takes an innovative approach to chronicling the lives of these two Civil War giants by not only depicting their lives and exploits individually but also by examining the role of each in specific battles in which both participated Author Thom Hatch first sets the stage with in depth portrayals of Beauty Stuart and Fanny Custer exploring how the early years of the two future cavaliers shaped their eventual military careers Both born to conservative rural families educated at West Point and with sensitive yet outgoing personalities Custer and Stuart shared some remarkable similarities The early chapters follow the two young cavaliers through the first two years of the war leading up to the largest cavalry engagement of the century at Brandy Station in 1863 Both Custer and Stuart participated in the action that day with the twenty three year old Custer faring far better than Stuart Custer s performance earned him the attention and respect of his superiors and started him down the path that would eventually lead to his promotion Stuart However was blamed for the needless slaughter of his men by the Union s surprise attack and faulted for his overconfidence Both Custer and Stuart s careers continued through battles at Gettysburg the Bristoe Campaign and the Wilderness While Stuart was destined to fall at Yellow Tavern Custer went on to even greater success culminating with an assault on the Confederates at Appomattox Court House that essentially ended the war Clashes of Cavalry paints a vivid portrait of these brilliant cavalrymen Although Custer never enjoyed the same level of command as Stuart there is reason to believe that given the same opportunity he would have been equal to the task History has remembered both as gifted horsemen and inspired leaders truly among the most celebrated heroes of the Civil War

Custer's Best French L. MacLean,2011 This is the story of George Custer s best cavalry company at the 1876 Battle of the Little Bighorn Company M With a tragically flawed but extremely brave Company Commander and a no nonsense First Sergeant Company M maintained a disciplined withdrawal from the skirmish line fighting saving Major Marcus Reno s entire detachment and possibly the rest of the regiment from annihilation Presented here is the most detailed work on a single company at the Little Bighorn ever written the product of

Custer Legends Lawrence A. Frost,1981 George Armstrong Custer rode at the head of his cavalry command where he made instantaneous decisions most of which resulted in victory during the Civil War The older officers over whom he had jumped in rank soon displayed their animosity From them and many others a series of charges against him were circulated from these grew the innumerable Custer legends This volume includes many interesting and unusual Custer legends which include the alleged fathering of Monahseetah s Indian son the Annie Jones story buried in the National Archives Custer s capture of Lee s supply trains at Appomattox Court House that caused Lee to surrender and much more

[A Surgeon with Custer at the Little Big Horn](#) James Madison DeWolf,2017-05-25 In spring 1876 a physician named James Madison DeWolf accepted the assignment of contract surgeon for the Seventh Cavalry becoming one of three surgeons who accompanied Custer s battalion at the Battle of the Little Big Horn Killed in the early stages of the battle he might easily have become a mere footnote in the many chronicles of this epic campaign but he left behind an eyewitness account in his diary and correspondence *A Surgeon with Custer at the Little Big Horn* is the first annotated edition of these rare accounts since 1958 and the most complete treatment to date While researchers have known of DeWolf s diary for many years few details have surfaced about the man himself In *A Surgeon with*

Custer at the Little Big Horn Todd E Harburn bridges this gap providing a detailed biography of DeWolf as well as extensive editorial insight into his writings As one of the most highly educated men who traveled with Custer the surgeon was well equipped to compose articulate descriptions of the 1876 campaign against the Indians a fateful journey that began for him at Fort Lincoln Dakota Territory and ended on the battlefield in eastern Montana Territory In letters to his beloved wife Fannie and in diary entries reproduced in this volume exactly as he wrote them DeWolf describes the terrain weather conditions and medical needs that he and his companions encountered along the way After DeWolf s death his colleague Dr Henry Porter who survived the conflict retrieved his diary and sent it to DeWolf s widow Later the DeWolf family donated it to the Little Bighorn Battlefield National Monument Now available in this accessible and fully annotated format the diary along with the DeWolf s personal correspondence serves as a unique primary resource for information about the Little Big Horn campaign and medical practices on the western frontier
