Writing Within / Without / About Sri Lanka Paolo Brusasco, 2010-12-01 Paola Brusasco's study offers an original insight into Sri Lankan literature in English and an exploration of cultural social and linguistic issues at the basis of the country's ethnic conflict. By focussing on two distinctive and representative writers both Burghers yet with different personal histories Brusasco confronts issues of cartography history and language all contributing to a specific definition of identity. Both Ondaatje and Muller are outsiders the former because of his diasporic existence the latter because of his excentricity within the reality of a divided country where the legacy of British colonialism and the process of redefinition following independence in 1948 as well as matters of geography and history become crucial to writers. **Within:Without** Lydia Corrill, 2019-02-28 A collection of poems written over the last 50 years dealing with relationships inner searching and aspiration and observations. *The County councils and municipal corporations companion, magisterial directory, statistical chronicle and local government year book, compiled and ed. by sir J.R.S.
