

Without Names

Frithjof Schuon

Without Names:

Diagnoses Without Names Michael D. Lockshin, Mary K. Crow, Medha Barbhuiya, 2022-06-13 Doctors patients investigators administrators and policymakers who assign diagnoses assume three elements the name describes an entity with conceptual or evidentiary boundaries the person setting the name has a high degree of certainty and the name has a consensus definition This book challenges this practice and offers an alternative to assigning diagnoses quantitating diagnostic uncertainty in personal and public medical plans This book offers the stakeholders views participating in a workshop sponsored by the Barbara Volcker Center Hospital for Special Surgery taking place in April 2020 about uncertain diagnoses Chapters examine the circumstances in which diagnosis names are unassignable either because patients do not fit within diagnostic boxes or because health abnormalities evolve and change over time In addition the book deconstructs the processes of diagnosis and explores how different stakeholders used diagnosis names for various purposes In examining pertinent questions the book offers a roadmap to achieving consensus definitions or including measures of uncertainty in personal care research and policy **Diagnoses Without Names Challenges for Medical Care Research and Policy** is an essential resource for physicians and related professionals residents fellows and graduate students in internal medicine rheumatology and clinical immunology as well as investigators administrators policymakers

Songs Without Names Frithjof Schuon, 2006-11-13 A four volume collection of spiritual poetry by Frithjof Schuon who wrote approximately 3 500 poems in his mother tongue German These poems express our experience of the sacred through the medium of poetry
