Without Sin

Saint Augustine (of Hippo)

Without Sin:

He that is without sin George Wingfield, 1906 **The Anti-Pelagian Writings** St. Augustine of Hippo, Both by nature and by grace Augustin was formed to be the champion of truth in this controversy Of a naturally philosophical temperament he saw into the springs of life with a vividness of mental perception to which most men are strangers and his own experiences in his long life of resistance to and then of yielding to the drawings of God s grace gave him a clear apprehension of the great evangelic principle that God seeks men not men God such as no sophistry could cloud However much his philosophy or theology might undergo change in other particulars there was one conviction too deeply imprinted upon his heart ever to fade or alter the conviction of the ineffableness of God s grace This book comprises St Augustine s writings and thoughts regarding the Anti Pelagian dispute [The Works of Aurelius Augustine: The anti-Pelagian works. v. 1. Translated by Peter Holmes. 1908](#) Saint Augustine (of Hippo), 1872 **Nicene and Post-Nicene Fathers: First Series, Volume V St. Augustine: Anti-Pelagian Writings** Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume V of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines rebuke of Pelagianism This doctrine undermined Augustines beliefs because it claimed that original sin did not exist Since there was no original sin humans were saved or lost based solely on their own will This further meant that Jesus while a great teacher and model human being did not die to save humanity negating a large portion of Christian doctrine Augustine believed that salvation was available only by the grace of God working in conjunction with mans decision to live a good life Spiritual seekers and students of history will find this work a thorough defense of Catholic theology **Communal Utopias and the American Experience Religious Communities, 1732-2000** Robert P. Sutton, 2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America s first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724 1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma

and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day s Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana

Dogmatic and Polemical Works Saint Jerome,1965 St Jerome s reputation rests primarily on his achievements as a translator and as a scriptural exegete The important service that he rendered to the Church in his doctrinal works is often overlooked or minimized by those who look for originality and independence of thought Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church") ,1889
