S. Naipaul, 2018-08-21

Beyond Belief is a book about one of the more important and unsettling issues of our time the effects of the Islamic conversion of Indonesia Iran Pakistan and Malaysia It is not a book of opinion It is in the Naipaul way a very rich and human book full of people and stories Islam is an Arab religion and it makes imperial Arabizing demands on its converts In this way it is more than a private faith and it can become a neurosis What has this Arab Islam done to the histories of these converted countries How do the converted peoples non Arabs view their past and their future In a follow up to *Among the Believers* his classic account of his travels through these countries V S Naipaul returns after seventeen years to find out how and what the converted preach In Indonesia he finds a pastoral people who have lost their history through a confluence of Islam and technology In Iran he discovers a religious tyranny as oppressive as the secular one of the Shah and he meets people weary

of the religious rules that govern every aspect of their lives Pakistan in a tragic realization of a Muslim re creation fantasy inherited blood feuds rotting palaces antique cruelty then President Zia installed religious terror with 100 million of Saudi money In Malaysia the Muslim Youth organization is alive and growing and the people are mentally physically and geographically torn between two worlds struggling to live the impossible dream of a true faith born out of a spiritual vacancy A startling and revelatory addition to the Naipaul canon Beyond Belief confirms the author s reputation as a masterly observer a finder out of stories as well as a magnificent teller of them

The Tyrant's Nephew Sophie Masson,2006 Omar didn t choose to be the tyrant s heir but if he has courage he can choose his fate Omar didn t ask to be the nephew of the ruthless dictator of Mesomia and he certainly doesn t want to inherit a country whose people are in fear for their lives He hasn t a choice though until the day he is saved from a deadly ambush by Latifa a beggar girl When his uncle places Latifa under a Spell of Darkness Omar can t stand by and watch his rescuer die Neither can Ketta Latifa s white cat and a jinn in disguise Together the two embark on an extraordinary adventure to find the spell s antidote through the eerie hostile marshlands then flying on an enchanted carpet to the perilous mountain stronghold of a rebel werewolf clan But they must face their greatest danger when they return to the palace Balancing on a knife edge at the mercy of the tyrant s terrifying mood swings and cruel punishments the evil Secretary s machinations and the rebels own plans for the fate of the country Omar will learn the true meaning of courage before his journey is over
