Team Dream:

Group Dreaming Jean Campbell, 2006 Jean Campbell's book looks at the power that two or more people can tap when striving to dream the same dreams. She describes several different group dreaming experiments conducted over a period of ten years and tells about The World Dreams Peace Bridge. *Handbook for Creative Team Leaders* Tudor Rickards, Susan Moger, 1999 Every worthwhile organization strives continuously to improve. What the authors of this groundbreaking book offer is nothing less than a system for achieving peak performance. As a result of their work with more than 2000 teams in some 40 countries across the globe, the authors identified the 7 factors that distinguish what they call dream teams and on that basis they developed the structured approach described in the Handbook. Part I sets out the principles that underlie team performance. Part II shows how to train teams to become more creative. Finally, in Part III, the authors demonstrate their ideas in action with real life examples from a wide variety of organizational settings. They emphasize throughout the role of leadership in stimulating creativity and innovation and they explain how to inject new dynamism into existing organizational systems and practices. Anyone involved in teamworking would profit from a close study of the Handbook. It will be especially valuable to team leaders and facilitators, to project managers and to HRD practitioners and consultants. **Ego Trip's** Sacha Jenkins, 1999-12-03 An exhaustive indispensable and completely irreverent bible of true hip hop knowledge, the genre's answer to the classic *Book of Rock Lists*. 100 photos. All his life, Alex Weakerman has had one passion: baseball. Specifically, the Hurricanes of Weakerville, Iowa, the scrappy independent league team owned by his Grandpa Ira. Even as team and the town have fallen on tough times, there's no place Alex would rather be than at the ballpark: a hot dog in one hand, a pencil and scorebook in the other, keeping track of each and every statistic. Alex has never been all that great at playing baseball, but that doesn't matter. For someone as painfully awkward as Alex, being a fan and a wiz with baseball stats

is all he needs When Grandpa Ira passes away though Alex is crushed He s lost his best friend and he doesn t see any way that the team will survive But Ira it seems has one last trick up his sleeve his will names Alex the new manager of the Hurricanes Alex is as excited as he is terrified at the chance to finally put some of his fantasy baseball genius to use But as he sets to work trying to win over the players he soon learns that leading them to victory is about more than just stats Will he be able to save his team his hometown and his family legacy From the author of *The Fourth Stall* a SCBWI Sid Fleischman Humor Award winner and multiple state award favorite *The Hurricanes of Weakerville* is sure to appeal to middle grade readers looking for a funny book about real kids *Angolite* ,1995
