Terry MacKinnell

The Night Face:

Body of Writing René Prieto,2000-04-11 A psychoanalytic exploration through a series of reading of Latin American fiction of Roland Barthes contention that literary texts have human form and are always an anagram of our erotic body

The Dawning Terry MacKinnell,2011-03-09 The Dawning is a radically different and innovative approach to the astrological ages including the Age of Aquarius providing a fascinating insight into past ages our current turbulent times and what might be in store for our world over the next few thousand years Terry MacKinnell takes us on a journey into the astrological ages and with periscope detail presents an entertaining and thought provoking read that challenges astrological assumptions MacKinnell proposes that an oversight made by the ancients inadvertently impacted conventional astrological calculations and he explores the popular belief that the Age of Aquarius has already arrived when according to conventional astrology it is not due for many centuries to come He argues that the real Aquarian Age has indeed already arrived and did so in the 15th Century the same century historians claim as the beginning of modernity Continuing the journey he dives into our present and our future This fascinating book will appeal to astrologers archeo astronomers historians and everyone looking for a new perspective on the past the present and the future
