*The Squirrel-cage* Dorothy Canfield Fisher, 1912      **The Squirrel-Cage** Dorothy Canfield Fisher, 2019-12-12 In *The Squirrel Cage* Dorothy Canfield Fisher presents a poignant exploration of the complexities of marriage and societal roles through the lens of early 20th century American life. The narrative employs a rich immersive prose style that deftly captures the emotional turmoil of its characters while skillfully intertwining psychological depth with social commentary. Set against a backdrop of burgeoning feminist ideals and the constraints of traditional domesticity, the novel challenges the reader to reconsider the sacrifices and compromises inherent in personal relationships while also addressing broader themes of self-identity and fulfillment. Dorothy Canfield Fisher, an acclaimed author and advocate for progressive education and women's rights, draws from her lived experiences and intellectual pursuits to craft this poignant narrative. Her insight into the human condition was informed by her own struggles with societal expectations as well as her involvement in early feminist movements. As a prominent figure in the literary community, Fisher was known for her ability to fuse storytelling with calls for social reform, thereby reflecting the zeitgeist of her era. Readers seeking a nuanced and introspective examination of love, autonomy, and the human spirit will find *The Squirrel Cage* to be a profound addition to their literary repertoire. Fisher's masterful storytelling encourages reflection on the sacrifices made in the name of love and the enduring quest for self-liberation. *The Squirrel-Cage* Dorothy Canfield Fisher, 2015-07-28 The house of the Emery family was a singularly good example of the capacity of wood and plaster and brick to acquire personality. It was the physical symbol of its owners' position in life; it was the history of their career written down for all to see and as such they felt in it the most justifiable pride. When Mr and Mrs Emery, directly after their wedding in a small Central New York village, had gone West to Ohio, they had spent their tiny capital in building a small story and a half cottage ornamented with the jig saw work and fancy turning popular in and this had been the nucleus of their present rambling picturesque many roomed home. Every step in the long series of changes which had led from its first state to its last had a profound and gratifying significance for the Emerys and its final condition, prosperous, modern, sophisticated, with the right kind of woodwork in every room that showed with the latest, most unobtrusively artistic effects in decoration, represented their culminating well earned position in the inner circle of the best society of Endbury.
