Sheppard, 2007-01-01 Neoliberalism s market revolution realized through practices like privatization deregulation fiscal devolution and workfare programs has had a transformative effect on contemporary cities The consequences of market oriented politics for urban life have been widely

studied but less attention has been given to how grassroots groups nongovernmental organizations and progressive city administrations are fighting back In case studies written from a variety of theoretical and political perspectives this book examines how struggles around such issues as affordable housing public services and space neighborhood sustainability living wages workers rights fair trade and democratic governance are reshaping urban political geographies in North America and around the world

**Musical Courier and Review of Recorded Music** ,1913 **Failing Sideways** Stephanie West-Puckett,Nicole I. Caswell,William P. Banks,2023-05-15 Failing Sideways is an innovative and fresh approach to assessment that intersects writing studies educational measurement and queer rhetorics While valuing and representing the research theory and practice of assessment authors Stephanie West Puckett Nicole I Caswell and William P Banks demonstrate the ways that students teachers and other interested parties can find joy and justice in the work of assessment A failure oriented assessment model unsettles some of the most common practices like rubrics and portfolios and challenges many deeply held assumptions about validity and reliability in order to ask what could happen if assessment was oriented toward possibility and potential Working to engage a more capacious writing construct the authors propose queer validity inquiry QVI as a model for assessment that values failure affect identity and materiality These overlapping lenses help teachers honor parts of writing and learning that writing studies faculty have struggled to hold onto in a world overly focused on quickness and efficiency in schools Through programmatic and classroom examples Failing Sideways privileges what is valued in the classroom but traditionally ignored in assessments Reimagining what matters in the teaching and learning of writing and using assessment data differently this book demonstrates what writing can be and could do in a more diverse and just world
