The Burning Flame of Love Jean Maalouf, 2017-08-17

Nothing is neither fuller nor better in heaven and earth Every authentic love story is in its essence a journey toward God and every time we truly love we unveil the face of God because God is love 1 John 4:16 No wonder Thomas Kempis affirmed that nothing is sweeter than love nothing stronger nothing higher nothing wider nothing more pleasant nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God above all things But if it is so why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families neighbors and others Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well What is missing from our earthly love What has happened to love To these questions and to many more Dr Maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works Is suggesting here a different way of seeing the reality of love Although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of Meister Eckhart and St John of the Cross This is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another John 13:34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival Thus a book like this should be read meditatively the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total

sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors Then wonder of wonder someone will realize that there is nothing more mysterious more magical more life changing than love It is indeed the philosopher's stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothing not even all the money in the world can buy the strength and the happiness of a true loving heart **Catalog of Copyright Entries** ,1946 When Spring Comes Hargrave, Lynda,1987 **When Spring Comes** Yvonne Simpson,2010-03 What really happens when spring comes I have a good idea Take a look at how spring comes my favorite time of year Join author Yvonne D Simpson in a mesmerizing exploration of spring Butterflies fill the air grass grows green And The sun smiles down There are so many wonderful things to see and smell When Spring Comes Unpolished Pebbles James Martin Shawhan,1902 **Chronicles of the Boit Family and Their Descendants and of Other Allied Families** Robert Apthorp Boit,1915 **When Spring Comes** ,1964 An easy to read account of nature's signs of spring *Bucolica et Georgica* Virgil,1916 **Circular** ,1918 *Kimball's Dairy Farmer* ,1907 **The Road-maker** ,1919 **Trees, Fruits, and Flowers of Minnesota** ,1906 **The Minnesota Horticulturist** ,1906 **Verse for Patriots** Jean Broadhurst,1919 Indiana Instructor ,1917 **Wisconsin Horticulturist** ,1896
