Willumsen,2020-08-11 Demonology the intellectual study of demons and their powers contributed to the prosecution of thousands of witches But how exactly did intellectual ideas relate to prosecutions Recent scholarship has shown that some of the demonologists concerns remained at an abstract intellectual level while some of the judges concerns reflected popular culture This book brings demonology and witch hunting back together while placing both topics in their specific regional cultures The book s chapters each written by a leading scholar cover most regions of Europe from Scandinavia and Britain through to Germany France and Switzerland and Italy and Spain By focusing on various intellectual levels of demonology from sophisticated demonological thought to the development of specific demonological ideas and ideas within the witch trial environment the book offers a thorough examination of the relationship between demonology and witch hunting Demonology and Witch Hunting in Early Modern Europe is essential reading for all students and researchers of the history of demonology witch hunting and early modern Europe **The Witches Three** Skye LaRosa,2025-05-20 **School Education** ,1915

bills Her career as a book illustrator not yet exactly launched Ingrid moved back to her mother s small hometown in northern Minnesota and the grandmother she scarcely remembered Then she learned the truth she had forgotten since her early childhood that Vikings still exist and her grandmother serves as their spiritual leader and protector Now Ingrid must leave the modern world behind for a time and immerse herself in this forgotten world She must know if she has what it takes to serve the people of Villmark as her grandmother serves them Or if her destiny lies instead among her friends in the modern world of Runde Minnesota No easy decision But at least her magical cat Mjolner remains always by her side Together they can face anything either world can throw at them Even if it s murder This box set includes the second three novels in THE VIKING WITCH MYSTERIES KILLING IN THE VILLAGE COMMONS BLOODSHED IN THE FOREST CORPSE IN THE MEAD HALL Macbeth William Shakespeare,1915 **Every where ...** Will Carleton,1911 **Parentheses of Reception** John T.
