*Undisturbed* Adam Oakley, 2014-11-21 A book designed to dispel the myths we have about emotions showing how to treat them in such a way that they no longer become a burden We are often faithful to emotions feeling somehow owned by them when in fact emotions depend on us We need not cling to them or take them so seriously They are energy movements which would not exist if we were not here to witness them This book aims to show that we need not label our emotions in any way We need not regulate or police ourselves We can relinquish suppressing something because we believe it is wrong to feel a certain way this is all just conditioning We can stop distinguishing between good and bad emotions right or wrong feelings

Jermaine Enoch Heaven,2025-01-17 The world is broken and everyone is looking for a solution in all the wrong places It is hard to get a solution from the wrong source and expect a positive result I know that real emotional healing can only be received through Jesus Christ Yes pain always brings out the worst in us but if it is not processed properly it can cause irreparable damage I never realised how much my generation has been shaped by emotional hurt until I sat down to write this book And I always wondered why a lot of people felt the need to come to me asking for help or advice about their hurts It always broke my heart just listening to their experiences Thank God after a few counselling and prayer sessions they would receive their healing This became a day to day part of my life I now realise I was called to this God has given me the wisdom to deal with this kind of spiritual baggage I wrote this book to offer some solutions to emotional pain For this reason I have extensively used my personal experiences and those of other people to show those who are hurting that God can turn those

hurts into an opportunity for helping others I share my journey about how God healed me from a lot of emotional pain This book is therefore a personal guide to emotional healing I believe that this book will take you on a journey to personal healing I may not have the answers to every emotional problem but I think that I covered a majority of some of the problems you may be facing currently I encourage you to read this book It is very educational and eye opening If none of these situations applies to you I still encourage you to read on And if anything applies to you then trust that God will heal you by the time you finish reading this book Jermaine R Dokothum
