Read the texts in the boxes and number them from 1 to 9 to sequence the fairy tale

The king ordered that all women who owned or used a spindle to be killed, but the girl had her finger pierced by a spindle in one of the chambers when she was fifteen or sixteen.

They organized a celebration and invited all the seven fairy godmothers, so that they could give their gifts to the newborn. The day came and all the seven fairies arrived.

She became angry because she wasn't given a special gift and thought that she wasn't respected. After dinner all the fairies gathered and gave their special gifts to the baby in the forms of spells.

Once upon a time there was a king and a queen. The queen had always wanted a child but couldn't have one. One day a miracle happened and they had a baby girl.

After a hundred years, a passing by prince learned her name and kissed her. She woke up and they got married.

She wouldn't die, but she would sleep for a hundred years if her hand was pierced with a spindle. After a century, a prince would come and wake her up.

She fell into a deep sleep. Then the fairy godmother came and put everyone else in a deep sleep as well, except her parents. They passed away some time later.

The king and queen had prepared each of them a precious gift as they were special guests. They were at the table when an old and vicious fairy came.

Next the old fairy said her terrible spell. The girl would die of a wound if her hand was pierced with a spindle. Luckily, the wise fairy came and changed the spell.
