

PROPOSED NEW AID TO STATE & LOCAL GOVERNMENTS

1

The bill would direct \$500 billion to state and local governments that received less previous aid.

2

Previous coronavirus-related spending bills focused mainly on businesses and individuals.

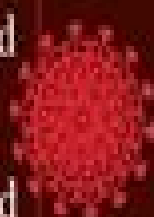

3

The new bill would help smaller cities and counties omitted from earlier funding.

4

Funding would be apportioned based on population, infection rates and lost revenues.

5

Proponents say state and local governments desperately need the aid.
