

# TELEPHONE CONVERSATIONS

## FORMAL

Good morning, High tech industries, Emily speaking. How may I help you

Good day to you, I am calling to speak with Mr. Johnson.

I am afraid that Mr. Johnson is in a meeting all morning, can I ask who is calling please?

This is Mr. Williams, a client with whom he has been dealing.

Thank you, Mr. Williams, would you like to leave a message?

No, thank you. Could you please have him return my call at his earlier convenience.

Of course, that won't be a problem. Was there anything else I could help you with, Sir?

That will be all, thank you for your time.

The pleasure is all mine. Good day, Sir.

## INFORMAL

Hey John!

Hey, how's it going?

Great. I was just calling to see if you wanted to meet up this weekend?

Yeah, I'd love to. Where were you thinking?

I thought we could go to that bar we like.

OK, I'll meet you there at 8 pm on Friday. Did you need anything else while I've got you on the line?

No, nothing else, I'll see you on Friday.

Catch you later, good to talk to you.

Bye.

**Telephone Conversation:**

Telephone Conversation: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Telephone Conversation : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Telephone Conversation : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
