The Collected Poems of Bertolt Brecht Bertolt Brecht, 2018-12-04 Times Literary Supplement Books of the Year The most generous available English collection of Brecht's poetry A landmark literary event

The Collected Poems of Bertolt Brecht is the most extensive English translation of Brecht's poetry to date. Widely celebrated as the greatest German playwright of the twentieth century, Bertolt Brecht was also, as George Steiner observed, that very rare phenomenon: a great poet for whom poetry is an almost everyday visitation and drawing of breath. Hugely prolific, Brecht also wrote more than two thousand poems, though fewer than half were published in his lifetime, and early translations were heavily censored. Now award-winning translators David Constantine and Tom Kuhn have heroically translated more than 1,200 poems in the most comprehensive English collection of Brecht's poetry to date. Written between 1913 and 1956, these poems celebrate Brecht's unquenchable love of life, the desire for better and more of it, and reflect the technical virtuosity of an artist driven by bitter and violent politics as well as by the untrammelled forces of love and erotic desire. A monumental achievement and a reclamation, *The Collected Poems of Bertolt Brecht* is a must-have for any lover of twentieth-century poetry.

The Collected Poems of Ted Berrigan Ted Berrigan, 2007-03-21 Comfortably intimate, classically adroit in its formal wit and invention, altogether unique yet in no way excluding, this meticulously edited edition of a master poet's collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions. No one ever recognized the people with whom he lived more particularly than did Ted Berrigan, and no one ever brought them home to a reader with such unaggressive and persistent power. This is a great, great book for all seasons of the mind and heart. Robert Creeley: Ted Berrigan was a leader of the New York School, his crazy energy embodied that movement and the city itself. It is wonderful to have his *Collected Poems* in print. John Ashbery: A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation. His poems, deft, light, definitely humorous, irreverent, poignant, marvelous, and tough. The truth doing its work, the great man doing the ordinary thing with a quick ear and a quick tongue, revealing the personal in the universal. He gives you his full attention about to be born again, thinking of you. Joanne Kyger: In a life devoted to experimental art, Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world. He wondered what might actually be captured within the pages of a book, but *The Collected Poems* allows us to again enjoy Ted Berrigan's delightfully demanding presence. Lorenzo Thomas: A singular balance of personal, historical vision and sentiment, both sweet and sour, developed within the fractured verbalism of the late twentieth century, found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived

and still intensely living ensemble of moments Tom Clark author of *Late Returns A Memoir of Ted Berrigan* Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi *The Collected Poems of Thomas Merton* Thomas Merton,1977 With the publication of this book an ever wider audience may more fully appreciate the range of the poet's technique the scope of his concerns and the humaneness of his vision Back cover *The Collected Poems of Tennessee Williams* Tennessee Williams,2007 A definitive collection of poetic works by the eminent playwright features substantial piece variants poems from his plays and accompanying explanatory notes in a volume that is complemented by a CD recording of the author's reading of his *Blue Mountain Ballads* and other works Reprint ***The Collected Poems of Roy Campbell*** Roy Campbell,1960 ***The Collected Poems*** Reynolds Price,1999-04-12 The definitive anthology of Reynolds Price's accomplishments in poetry over four decades *The Collected Poems* opens with a preface that discusses his beginnings guides and methods it then includes his first three collections in their entirety *Vital Provisions* *The Laws of Ice* and *The Use of Fire* and adds a new volume *The Unaccountable Worth of the World* eighty five more recent poems that offer striking departures as they continue to embody Price's close attention to the exterior and the interior worlds of a lengthening and unexpectedly complex life *The Collected Poems* reveals throughout the accumulated variety of Reynolds Price's years as a poet the thematic breadth formal steadiness narrative vitality and intense lyricism that have marked his work from the start It is a landmark in a creative life that now includes more than thirty books poems novels plays essays translations and in the span of contemporary American verse *The Collected Poems of Odysseus Elytis* Odysseas Elytēs,1997 In awarding *Odysseus Elytis* the 1979 Nobel Prize in literature the Swedish Academy declared that he had been selected for his poetry which against the background of Greek tradition depicts with sensuous strength and intellectual clearheadedness modern man's struggle for freedom and creativeness *The Collected Poems* is the first collection in any language including Greek of Elytis's complete poetry a body of work marked by a profound love of hope freedom beauty and Greek tradition Twenty years in preparation this volume includes his early poems influenced in equal parts by surrealism and the landscape and climate of Greece and the Aegean Sea his long epic poem connecting Greece's and his own Second World War experience to the myth of the eternal Greek hero *Song Heroic and Mourning for the Lost Second Lieutenant of the Albanian Campaign* his most ambitious work the *Axion Esti* which the Swedish Academy praised as one of twentieth century literature's most concentrated and ritually faceted poems and his mature poetry from *Maria Nephele* a poem in two voices to his last collection *West of Sorrow* written the summer before his death in 1996 at age 84 ***The Collected Poems and Selected Prose*** Stanley Burnshaw,2010-01-01 Stanley Burnshaw began to publish poems in the 1920s and founded his own verse journal in 1925 After serving as coeditor and drama critic of the *New Masses* weekly 1934-1936 he entered book publishing directing the
