**The Holy Spirit of God** Donald W. French, 2009-06 This book is written in the format that Donald W French uses of letting the Bible speak for itself This style of writing is much more unique than it should be in a country where a majority of the population claims to believe that the Bible is the inspired word of God It is the author's hope that this book will encourage others to study the Bible not only to better understand the Holy Spirit of God but to help encourage a manner of humbly reading the Bible in order to come to the understanding that God intended when He inspired the writing of the verses of the Bible The author firmly believes that this is the only way that there can ever be unity in the religious world unity not in diversity but in actuality

*The Indwelling: The Exceeding Greatness of God's Power at Work in You* Ferdinand Nweke, 2019-12 The very premise of this book that God would actually personally and presently indwell believers is mind boggling but that is exactly what the Bible teaches emphatically The Indwelling is a revelation of the believer's current indwelling by the Father the Lord Jesus Christ and the Holy Spirit and the astounding consequences of this priceless inheritance It brings believers into the astonishing realization of the One who lives within them and challenges them to walk in the fullness of that reality By allowing the indwelling One full expression from within they become His holy operational bases on earth through whom He can manifest His supernatural power and bless multitudes The blessings of our being in Christ are many but the infinite possibilities of Christ being in us indwelling us are largely unexplored The Indwelling is sent forth to help catalyze this exploration You might have heard a lot about who you are in Christ Now it's time to find out who He is in you If you are ready to be deeply challenged by some of the most profound elements of discipleship you must read The Indwelling Dr Nweke has an infectious approach to keep you captivated as he leads you on this journey As you absorb this book you'll begin to understand more thoroughly and intimately the critical value of a Spirit led inner life I'm making The Indwelling mandatory reading for my staff board members and field workers Greg Kelley CEO of World Mission
