Huntington* Archer Milton Huntington,1908 Based on a true story of the Castilian hero El Cid which takes place during the Reconquista reconquest of Spain from the Moors and tells of El Cid's quest to regain his honor after being exiled through battling the Moorish armies After granted back his honor he seeks justice for his daughters who have been mistreated The end result is the beginning of the unification of Spain **Poem of the Cid ... Cid**,1921 [The Cid and His Spain](#) Ramón Menéndez Pidal,2016-07-07 This study of El Cid first published in English in 1934 is by the leading authority on the medieval history and literature of Spain The Cid occupies a unique position among national heroes Others such as King Arthur and Roland are but shadowy figures in the historical record but El Cid is very much better documented This book also paints a striking picture of eleventh century Spain bringing out the importance of the country as a link between Christian and Muslim civilization *The Story of the Cid* Calvin Wilson,J. Kennedy,2014-11-29 The story of Spain's national hero Rodrigo Díaz de Vivar 1043-1099 who helped liberate his nation from the Muslims is retold in vivid detail in this superb work originally designed for younger readers but easily readable for adults as well It tells the inspiring story of the Castilian nobleman given the name El Cid the Lord by the Moors and El Campeador the Champion by the Europeans and his decades long war against the Islamic invaders of the Iberian Peninsula Caught in the intrigue of the Middle Ages El Cid was forced to wage war against Christian armies as well but his real foe remained the ultimate enemy as is so brilliantly explained in this work His seizure of Valencia in 1094 established El Cid as a ruler in his own right while his final years were spent in fighting the Almoravid Berbers This is the real story of El Cid divorced from the Hollywood myth which serves as an immortal reminder of the price paid by medieval Europeans to resist the Islamic attempt to invade Europe No brutal detail is spared in this sometimes shocking account of the wars waged by El Cid in his quest to liberate his part of Europe In spite of all the myths it is beyond doubt that the real Rodrigo was one of the most wonderful men who has ever lived and that he was the greatest warrior who fought in the long and fierce

struggles between the Christians and the Mahometans From the first chapter Completely reset and reformatted Illustrated
