The Coming Of Christ:

The Coming of Christ Isaac Massey Haldeman,1906 **The Time of His Coming** Michael Vilaridi,2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book The Time of His Coming author Michael Vilaridi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind The Time of His Coming is easily one of the most compelling books to read today Order your copy today **Come, Lord Jesus!** Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God s future for his world **The Coming Kingdom of Christ** John R. Rice,2000-08 **The Second Coming of Christ** Richard Cunningham Shimeall,1873 The Coming of the Lord James Henry Snowden,1919 **The coming of**

Christ and signs preceding His Coming John Waite (of Camberwell.),1896 *The remnant of Israel, the Church and the coming of Christ* Edgar Hastings Thomas,1903 *The Coming Presence* Frank Morehead Thomas,1913 **Essays on the Coming of Christ** Warren Skinner,1830 **The Church in the Coming Great Tribulation** Steve Urick,2009-08-17 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as taught by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being said by modern day prophecy teachers this timely work sheds light on the subject and will help to clear up any confusion you might have **The Coming and Kingdom of Christ** ,1914 *The Coming of God* Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God

Sentiments Concerning the Coming and Kingdom of Christ Joshua Spalding,1841 *Christ's Second Coming* David Brown,1856 **What Jesus Says about Earth's Final Days** Mark Hitchcock,2010-06-16 Two days before He died Jesus gave His closest followers a sweeping panorama of earth s final days Responding to questions about the end times Jesus great speech on the Mount of Olives described the tribulation and His second coming and offered several famous parables of practical application for the disciples In a powerful indication of His priorities Jesus devoted twice as much time to telling His followers how to live in light of His return as he did to describing the actual event Readers will be inspired and equipped to live faithfully in expectation of Christ s coming **Signs of the Coming Christ** R Scott Sykes,2004-10 Signs of the Coming Christ is a consolidation of all biblical prophecy that is relevant to the current age This scientific analytical approach sheds new light on ancient scriptures *Christ is Coming* John DeVries,2021-07-28 COMING BIBLE PROPHESED EVENTS Their order of events Proceeding Christ s second coming WE SHOULD KNOW Prophetically Where are we right now A sure knowledge of Christ s coming and the 7th trumpet Eight Bible prophesied events before Christ comes EIGHT
