**The Duke's Children** Anthony Trollope,1946 **The duke's sweetheart** Richard Dowling,1885 **The Duke's Children** Anthony Trollope,2012-11-13 THE DUKE S CHILDREN by ANTHONY TROLLOPE **The Duke's Children**

**Complete** Anthony Trollope, 2020-10-22 He was alone in the world and there was no one of whom he could ask a question After the sudden death of his wife two years after he has left office as Prime Minister the Duke of Omnium must become deeply involved with his children for the first time They vex him enormously with school expulsions vast gambling debts and what he considers to be calamitous romantic attachments He tries to compel them to do what he wants but they are not so easy to manage Even when his eldest child and heir Lord Silverbridge makes him proud by embarking upon a political career the Duke grapples with heartache For Silverbridge becomes a Conservative rather than a Liberal flouting the family tradition The relationship between father and son is drawn with remarkable subtlety and the book as a whole becomes a piercing yet often humorous exploration of change how both the young and the old resist tolerate or embrace it Trollope cut roughly 65 000 words at a vulnerable moment in his career to get the novel published but concluded rapidly that he had made a grievous error After a painstaking reconstruction by a team of researchers *The Duke's Children* the final book in Trollope's famed Palliser series can now be read the way he first intended It is a masterpiece of Victorian fiction *The Novels and Tales of Henry James* Henry James, 1922 [The Duke's Children](#) Anthony Trollope, 2020 *The Duke's Children* is a novel about sorrow and loss and about a parent's pained discovery that our children inevitably grow to love us less than we love them *The Duke's Children* Anthony Trollope, 2023-01-25T21:14:39Z Almost since the first appearance of Plantagenet Palliser in the novels of Anthony Trollope he has been accompanied by his effervescent wife Lady Glencora As the final installment of the Palliser series begins she has been cruelly taken from him by a fatal illness just at the moment when their three children are making their way in the world and finding marriage partners of their own But the younger generation does not seem to share the Duke's values The loves of both his eldest son and his only daughter in particular trouble him deeply bringing into conflict his intellectual commitments and his emotional attachments As with Phineas Finn there are three notable female characters to add to Trollope's roster of impressive women Lady Mabel Grex the American Isabel Boncassen and the youngest of the Duke's children Lady Mary The last in particular serves as a foil to the disappointments of Lady Laura Standish seen in the previous novels and explores again the might have beens of choices gone awry In other ways too *The Duke's Children* gathers up themes from earlier Palliser novels forgiveness constancy the maturing of youth the constraints of nature the disruptions of chance Importantly too it displays complexities of political commitments from the vantage point of a younger generation coming of age All this seems to have been deliberate The manuscript for the novel shows Trollope made cuts very rare in his corpus of about 65 000 words at the request of the publisher These often develop more explicitly the back references to the earlier novels Scholars have since restored those cuts and published a complete edition but this Standard Ebooks edition follows the original As the series concludes Trollope finally gives vent to his own bitter experience of parliamentary elections Parliamentary canvassing is not a pleasant occupation Perhaps nothing more disagreeable more squalid more revolting to the senses more opposed to personal dignity can be conceived This account is often taken to

arise out of Trollope s own experience of campaigning in Beverly where he stood as a Liberal candidate in east Yorkshire Despite Trollope s disgust at the process and disappointment at the outcome The Duke s Children ends with the Duke of Omnium returning to office and an optimistic outlook for the political careers of the next generation This book is part of the Standard Ebooks project which produces free public domain ebooks **The Thirty-third Novel of Il Novellino of Masuccio** Masuccio (Salernitano),1917 The Works of Benjamin Disraeli, Earl of Beaconsfield, Embracing Novels, Romances, Plays, Poems, Biography, Short Stories and Great Speeches: Venetia, v.2.
