**The Inquisitor** Mark Allen Smith,2012-04-10 Geiger s business is extracting information A meticulous torturer his methods range from the brutal to the psychologically complex and he will stop at nothing to get the job done His clients are referred to him from international corporations government agencies and organised crime his skills are in worldwide demand He calls his company Information Retrieval Geiger only has one rule that he will never work on a child So when a client presents Geiger with a twelve year old boy his instinct is to walk away But the alternative the unknown horror that might await the boy elsewhere is too awful for him to contemplate Geiger s history is a blank page even to him In accepting this assignment in an attempt to save the boy he will discover that history no matter how torturous that proves to be *The Inquisitor's Diary* Jeffrey Lewis,2013-10-22 Set in Mexico City in 1649 when the Spanish Inquisition holds sway The Inquisitor s Diary takes the form of the diary of Fray Alonso the most zealous advocate of their mission as he struggles to win promotion in the church Outmaneuvered by his rivals he is dispatched on a seemingly futile journey to the north where he unexpectedly befriends a captured heretic a Marrano or crypto Jew and finds himself questioning all he believes in Thought provoking and philosophical this novel brings the Inquisition to troubling life with all its moral darkness and complexity We follow Alonso s journey as he is dispatched by the Inquisitor General to the country s northern frontier to root out heresy apostasy backsliding This somber work seeks to uncover those subterranean impulses that surge beneath Alonso s fate Literary Review *The Inquisitor's Tongue* Alan Singer,2012-03-06 Alan Singer s riveting new novel The Inquisitor s Tongue reimagines the Spanish Inquisition as a world in which spiritual horrors and acts of violence are the birth pangs of otherwise unimaginable identities The novel is the intersection of two narratives The confession of Osvaldo Alonzo de Zamora a miraculously gifted converso wine taster is read aloud by a duplicitous priest of the Inquisition as an admonitory lesson to a suspected sinner The competing narrative is the story of that sinner another guilt driven character referred to only as the Samaritan who curiously is held in the thrall of Osvaldo s confession The Samaritan bears the scars of his own history of violence and hidden identity In the wake of a final apocalypse the two narratives converge bringing all of the characters together and eliciting the most damning revelation about the identity of the Inquisitor Set amidst the religious and courtly spectacles of sixteenth century Spain The Inquisitor s Tongue is linguistically adventurous richly philosophical deeply visceral tantalizingly sensuous and wickedly comic It is a Goyaesque capricho on the follies of the will to identity *The Inquisitor* Cheryl J.
