The New Sexual Revolution:

The New Sexual Revolution Lester A. Kirkendall,1972 *Sexual Revolutions* G. Hekma,A. Giarni,2014-05-13 *Sexual Revolutions* explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change *Polish Sexual Revolutions* Anna Dobrowolska,2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism *Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain* studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region *Sexuality, Disability, and Aging* Jane Gallop,2018-12-13 Drawing on her own experiences with late onset disability and its impact on her sex life along with her expertise as a cultural critic Jane Gallop explores how disability and aging work to undermine one s sense of self She challenges common conceptions that equate the decline of bodily potential and ability with a permanent and irretrievable loss arguing that such a loss can be both temporary and positively transformative With *Sexuality Disability and Aging* Gallop explores and celebrates how sexuality transforms and becomes more queer in the lives of the no longer young and the no longer able while at the same time demonstrating how disability can generate new forms of sexual fantasy and erotic possibility *The New Sexuality* Eugene C. Kennedy,1972 **The New Sexual Revolution** Robert Pool,1994 *Sex in Crisis* Dagmar Herzog,2008-07-01 The Religious Right has fractured the pundits tell us and its power is waning Is it true have evangelical Christians lost their political clout When the subject is sex the answer is definitively no Only three decades after the legalization of abortion the

broad gains of the feminist movement and the emergence of the gay rights movement Americans appear to be doing the time warp again It s 1950s redux Politicians including many Democrats insist that abstinence is the only acceptable form of birth control Fully fifty percent of American high schools teach a sex education curriculum that includes deceptive information about the prevalence of STDs and the failure rates of condoms Students are taught that homosexuality is curable and that premarital sex ruins future marital happiness Afraid of sounding godless American liberals have failed to challenge these retrograde orthodoxies The truth is Americans have not become anti sex but they have become increasingly anxious about sex not least due to the stratagems of the Religious Right There has been a war on sex in America a war conservative evangelicals have in large part already won How did the Religious Right score so many successes Historian Dagmar Herzog argues that conservative evangelicals appropriated the lessons of the first sexual revolution far more effectively than liberals With the support of a multimillion dollar Christian sex industry evangelicals crafted an astonishingly graphic and effective pitch for the pleasures of hot monogamy for married heterosexual couples only This potent message enabled them to win elections and seduce souls with disastrous political consequences Fierce witty and brilliant *Sex in Crisis* challenges America s culture of sexual dysfunction and calls for a more sophisticated national conversation about the facts of life [Social Psychology and Human Sexuality](#) Roy F. Baumeister,2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy **The Publishers Weekly**,1911 **The Case Against the Sexual Revolution** Louise Perry,2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated by the author **New York**,1928 *The New Politics of Sex* Stephen Baskerville,2017 **Journal of the History of Sexuality**,1994 *Good Sex* Catherine M. Roach,2022-10-04 An accessible guidebook to navigating America s new landscape of gender and sexuality **Feminism and the Politics of Literary Reputation** Charlotte Templin,1995 A must read for anyone interested in how gender popularity and financial success affect an author s literary

reputation Choice A pioneering book Templin demonstrates clearly that the literary canon is not only about what people like to read it concerns what ideas and values will prevail in the society at large Jay Parini author of *The Last Station* Templin raises important issues about the peculiar position of the woman writer in the popular imagination Nancy A Walker author of *Feminist Alternatives* *An End to Shame* Ira L.
