The New Testament Scriptures From A Gnostic Viewpoint:

Five Views on the New Testament Canon Stanley E. Porter, Benjamin Laird, 2022-10-18 What historical political and ecclesial realities drove the canonization of the New Testament How are the doctrines of Early Christianity related to the formation of the New Testament Should the New Testament differ in authority from other early Christian texts As these questions demonstrate the enduring influence of the New Testament does not lessen the dispute over the events and factors leading to its adoption Five Views on the New Testament Canon presents five distinct ways of understanding how the New Testament came to be A Conservative Evangelical Perspective Darian R Lockett A Progressive Evangelical Perspective David R Nienhuis A Liberal Protestant Perspective Jason David BeDuhn A Roman Catholic Perspective Ian Boxall An Orthodox Perspective George L Parsenius Each contributor addresses historical theological and hermeneutical questions related to the New Testament canon such as what factors precipitated the establishment and recognition of the New Testament canon the basis of any authority the New Testament has and what the canon means for reading and interpreting the New Testament Contributors also include a chapter each responding to the other views presented in the volume The result is a lively exchange suitable for both undergraduate and graduate students seeking to grasp the best canon scholarship in biblical studies

The Bible in a Spiritual Perspective Konrad Dietzfelbinger, 2020 The Bible is widely regarded as the book of books In a way people shaped by Western culture are all children of the Bible Its language has shaped our languages Its morality is a foundation of our morality Its pictures have furnished our world of imagination Its parables have given material and reference points to our literature and culture But who really knows the Bible How is it structured What is its content When and according to what criteria was it determined which scriptures were to be included in the Bible and which were not What is the best way to interpret it historically salvation historically or spiritually And what significance can the Bible have for Christians and all spiritual seekers today You will find answers in this book *The New Testament Scriptures* Archibald Hamilton Charteris, 1882 [Why Are These Books in the Bible and Not Others? - Volume Three - The Apostolic Fathers and the New Testament Apocrypha](#) Gary F. Zeolla, 2016 Christians claim the Bible is the Word of God that it is absolutely reliable in all that it teaches But to put such confidence in the Bible requires that we have the correct books in the Bible But do we This subject is very important and complicated so complicated it took three volumes to fully cover it Volume One studied the books included in the Old Testament OT and considered other books that could have been included but were not Volume Two covered the books included in the New Testament NT This third and final volume will consider other writings which are not in the NT They are of three types The first type is the writings of the Apostolic Fathers These are Church leaders and writers of the late first to mid second centuries Most were direct disciples of the apostles and some of their writings were seriously considered for inclusion in the NT It will be explained why this was so and why these writings were eventually rejected The second and third types are apocryphal books This term originally meant hidden but now means extra canonical meaning the

books are not considered to be inspired by God and thus are outside of the canon list of authoritative books of Scripture. These books are divided into two types: ones that are mostly orthodox in their theology and ones that are heretical or Gnostic. Among these apocryphal books are some that have received much publicity of late. The media has been abuzz in recent years about books like the Gospel of Thomas, the Gospel of Judas, and the Gospel of Jesus Wife. It is said these books present a radical new viewpoint of Christianity and are more reliable than the NT books. In addition, the conception many people have of early Christian history often comes from apocryphal books and not from NT books. For instance, at Christmastime, the manner in which nativity scenes are displayed comes more from apocryphal infancy gospels than from the NT Gospels. Therefore, many people today will find a discussion of these books to be of interest. The Methodist Review Quarterly, 1910
