The Newborn King:

The Newborn King ,2001 Charming illustrations and simple text lead children on a wonderful journey to find the newborn king Along the way they learn about the God who loves them and the true meaning of Christmas Flyleaf **Glory to the Newborn King** Dr. D. Lance Waldie,2013-11-12 The Christmas story in the Bible is a beautiful account of the birth of the Messiah Jesus Christ of Nazareth He was born in obscurity in a little town named Bethlehem a Hebrew term that means house of bread And how ironic for this man was the Bread of Life and all who come to Him will never hunger and will never thirst John 6 35 That is why the story of Christmas the birth of the Messiah is so important Since Jesus is the reason for the season let us make sure we understand completely who He is For who Christ is to us determines who we are both in this world and in eternity *The Newborn King* Irwin Jensen,Karl Banks,19?? Ghaly FACS, MD,2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has

been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

The Newborn King Sarah J. Dodd, 2019-08-23 **I Have Grown in His Love** Ibrahim Michail Hefzallah, 2012-11

One method of enjoying reading the Bible is to live the events as one reads them by becoming an observer or a participant in those events In this novel the author became James the lad who was carrying five loaves of bread and two fish which Jesus blessed to feed over five thousand people From that perspective he followed James s growth in love of Jesus Christ Through listening to Jesus teachings observing His miraculous deeds following Him on the way to the cross and hearing the news of His resurrection from the dead James developed his understanding of who Jesus is First he thought of

Him as a prophet the Messiah and finally he believed that He is the Son of God At a mature age James wrote his memoirs from the first time he met Jesus to the time he was preparing to leave on his first missionary trip to preach the Way Although the miracle of feeding the crowd happened almost one year before Jesus was crucified and resurrected the novel is developed to present to the reader other important events that happened prior to that miracle Prophecies of the Old Testament were incorporated in the body of the story as they were being fulfilled The Bible events in the novel are real James is an imaginary figure whom the author followed in his growth in the love and knowledge of Jesus Christ
