**The Next President of the United States** ,R.A.W.,2023-01-02 This great country was founded on Christian principles and ideologies to escape a tyrannical government and pave the pathway to freedom for its citizens However there are those in power who are desperately trying to take away our freedoms through force coercion deception and indoctrination As a result American democracy is on the verge of collapse This should not come as a surprise as great civilizations of the past have followed the same predictable sequence Measures must be taken to stop this sequence if we care for our way of life Fixing the problem is not a task reserved for the select elite in power We the people can implement common sense solutions to save our beloved country If democracy is lost in America then it will be lost to the world This book was created by a concerned citizen and gifted to those willing to open their eyes to the truth Join me on this journey to salvation Freedom is never more than one generation away from extinction We didn't pass it to our children in the bloodstream It must be fought for protected and handed on to them to do the same or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free Ronald Reagan *Predicting the Next President* Allan Lichtman,2020-08-07 In the days after Donald Trump's unexpected victory on election night 2016 The New York Times CNN and other leading media outlets reached out to one of the few pundits who had correctly predicted the outcome Allan J Lichtman While many election forecasters base their findings exclusively on public opinion polls Lichtman looks at the underlying fundamentals that have driven every presidential election since 1860 Using his 13 historical factors or keys four political seven performance and two personality that determine the outcome of presidential elections Lichtman had been predicting Trump's win since September 2016 In the updated 2020 edition of this classic text Lichtman applies the keys to every presidential election since 1860 and shows readers the current state of the 2020 race In doing so he dispels much of the mystery behind electoral politics and challenges many traditional assumptions An indispensable resource for political junkies [Letter to the New President](#) Robert C. Byrd,Steve Kettmann,2008-06-24 A legendary Senator advises our next President on the commonsense values necessary to lead our nation United States Senator Robert C Byrd is the longest serving member of the United States Senate in the history of our great Republic Senator Byrd has served the people of West Virginia and the nation for fifty four years and has served alongside eleven Presidents He was twice elected by his colleagues to the position of Senate Majority Leader and currently is chairman of the powerful Senate Appropriations Committee Byrd has lived through two world wars the Great Depression the civil rights movement the Cold War the resignation of a U S President the 9 11 terrorist attacks and traumatic military conflicts around the globe including Iraq and Vietnam Byrd has been a witness to it all And now in his ninetieth year of life he wants to share the commonsense lessons he has learned from his unique vantage point in history In *Letter to a New President* Byrd recounts lessons drawn from his remarkable life as a young boy growing up poor in the coalfields of southern West Virginia to his meteoric rise to the pinnacles of power in

Washington D C From his unique vantage point in history Byrd focuses his observations on underappreciated and seldom discussed virtues like personal responsibility careful consideration before making decisions and a sense of decency and fairness even toward fierce opponents A student of history and a defender of our Constitution Byrd looks to the past for lessons and in Letter to a New President studies present failures as guides for constructive lessons for the future This book will help the next President grapple with the heavy demands of the office Every American who cares about where this country is heading will find rich wisdom in Byrd s sage advice Enlightened by a wide ranging knowledge of American history and a love for the guiding principles of the Constitution Byrd s observations sharpen the focus of the historical moment in which we find ourselves as no one but Senator Byrd can
