Knuckleball Lew Freedman, 2015-03-17 It took me a day to learn the knuckleball and a lifetime to learn how to throw it for a strike This quote by pitcher and coach Charlie Hough is the best way to understand baseball's most baffling and mysterious pitch Not even the best practitioners of the art of throwing a knuckleball know where it is going most of the time As a pitch that floats and comes into the plate in what appears to be slow motion it is miraculous that those who employ the pitch don't get creamed all over the park by batters who seem to know that it's coming Including interviews with Hall of Famer Phil Niekro former All Stars Wilbur Wood and Tim Wakefield as well as other famed knuckleballers Lew Freedman *Clouds over the Goalpost A Summer to Remember* breaks down the history of this infamous pitch which it seems can be traced back to Chicago White Sox pitcher Ed Cicotte as well as its effect on baseball as a whole With pitcher R A Dickey who rejuvenated his career from castoff to 2011 Cy Young Award winner the knuckleball is still a topic of conversation in the sport and it continues to be one of the many marvels of our national pastime Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

The Psycho 100 Steve "Psycho" Lyons, Burton Rocks, 2012-07-01 Steve Psycho Lyons uses his patented Psycho Meter to break down the 100 most famous and infamous moments in baseball history And who better to chronicle baseball's history of outrageous personalities plays and pranks than Lyons the man who dropped his pants at first base and created perhaps the most outrageous moment of all time Digging in and dusting off the annals of baseball history he has researched the craziest moments in baseball ever ranging from the hilarious to the ridiculous from the incredible to the heroic including Randy Johnson's unexpected and unbelievable exploding bird Clemens v Piazza rounds 1 and 2 the infamous Disco Demolition Night in Chicago and the George Brett pine tar incident From Babe Ruth's called home run shot to the Steve Bartman fiasco from Pete Rose bowling over Ray Fosse to Joba Chamberlain being attacked by insects and from Pedro Martinez body slamming Don Zimmer to a team turning a triple play without ever touching the ball *The Psycho 100* has it all

Baseball Books Mike Shannon, 2024-10-14 It is widely and wrongly assumed that books are never so valuable

as when they lie unopened before us waiting to be read Good books bear multiple readings and not merely because our memories fail us the desire to repeat a good reading experience can be its own powerful motivation And for bibliophiles books can also be works of art physical objects with an aesthetic value all their own This guide for the book loving baseball fan is written by one of the most knowledgeable collectors in the country author and editor Mike Shannon Beginning with a history of baseball books and collecting it also identifies the most sought after titles and explains how to find them what to pay and how to maintain their condition

West Virginia Baseball William E. Akin,2006-07-20 West Virginia sprang into existence as a state in the midst of the Civil War and base ball as it was called then was close on the heels of statehood A game in 1866 hosted by the Hunkidori Base Ball Club in Wheeling is considered the first match game of Base Ball Some historians contend the game spread via the movement of soldiers who were from urban areas The real roots of baseball are not the romantic image of rural boys in sandlots or lazy father son afternoons It was born and came of age as an urban sport a social pursuit of well heeled young men that in the early days often involved banquets and shows following each game The author traces the history of minor league and independent league baseball in West Virginia Baseball below the minor leagues has a rich and comparatively unexplored history and West Virginia has made substantial contributions to this legacy Chapters examine the chronological history of baseball and the larger economic and cultural changes that have influenced it Eras include baseball as a social game through 1873 the emergence of professional baseball through 1895 its second boom through 1905 the deadball era through 1920 the Martinsburg dynasty 1914 to 1934 as a miners sport 1920 to 1941 the Middle Atlantic League 1925 1942 the Mountain State League 1937 1942 the postwar years 1945 1955 the nadir 1955 1985 and A Minor Miracle 1985 2000 a chapter that heralds a comeback in the popularity of professional baseball
