The Of Bebb:

The Book of Bebb Frederick Buechner, 2009-10-13 Pulitzer Prize finalist Frederick Buechner's quartet of outrageously witty inspirational Bebb novels in one volume *Searching for Home in Frederick Buechner's "The Book of Bebb"* Rachel Brown, 2012 This study is an exploration of the intersections between the search for home and a deeper desire for spirituality in Frederick Buechner's *The Book of Bebb* Throughout this series of four novels the characters are constantly searching for a sense of home and the following two part question had prompted this project where do the characters in Buechner's *The Book of Bebb* find elements of home on earth and do their searches reflect a spiritual search The characters search for this elusive sense of home in many different ways some of which satisfy parts of their search and some which do not but all of which contribute to the idea that there is an ideal home somewhere that cannot be reached in the here and now Through particular place and in community characters are able to gain glimpses of home in the already while the elements of journey and imagination signify the longing the characters still feel for the not yet The search for home leads characters in *The Book of Bebb* to aspects of fulfillment here on earth which are in reality reflections of God and one's ultimate home with God It is by entering into and learning to live in the tension between feeling at home in the already and feeling homesick for the not yet that the characters in *The Book of Bebb* parallel the tension that Christians have felt for millennia This parallel can help explain the longing of the characters in *The Book of Bebb* as a longing for God and recognizing this leaves those characters more open to Christian spirituality

The Book of Buechner W. Dale Brown, 2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer *The Book of Buechner* explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying *The Book of Buechner* is a much overdue literary journey through one of the most significant American writers of the last fifty years *Men of the Pacific Coast*, 1903 *The Odd Fellow's Companion*, 1876 *The Architectural Forum*, 1926 **The Law Journal Reports**, 1889 **The American Architect**, 1927 **American Architect and the Architectural Review**, 1927 **A Volume of Memoirs and Genealogy of Representative Citizens of the City of Seattle and County of King, Washington**, 1903 *Reports of Tax Cases*, 1925 *Journal of the Institute of Actuaries*, 1908 **Tax Cases**, 1925 *List of the Officers of the Bengal Army, 1758-1834: A-C* Vernon Charles Paget Hodson, 1927 *Journal of the Institute of Actuaries* Institute of Actuaries (Great Britain), 1908 List of members issued with v 35 46 with separate paging **Cases Decided in the Court of Session, Teind Court, Court of Exchequer and House of Lords** Scotland.
