The Ruling Class In Italy Before 1900:

The ruling class in Italy before 1900, 1974 The Totalitarian Experiment in Twentieth Century Europe David Roberts, 2006-04-27 By developing a long term supranational perspective this ambitious multi faceted work provides a new understanding of totalitarianism the troubling common element linking Soviet communism Italian fascism and German Nazism The book s original analysis of antecedent ideas on the subject sheds light on the common origins and practices of the regimes Through this fresh appreciation of their initial frame of mind Roberts demonstrates how the three political experiments yielded unprecedented collective mobilization but also a characteristic combination of radicalization myth making and failure Providing deep historical analysis the book proves that totalitarianism best characterizes the common features in the originating aspirations the mode of action and even the outcomes of Soviet communism Italian fascism and German Nazism By enhancing our knowledge of what totalitarianism was and where it came from Roberts affords important lessons about the ongoing challenges possibilities and dangers of the modern political experiment **The Totalitarian Experiment in Twentieth-century Europe** David D. Roberts, 2006 By assessing totalitarianism in a more deeply historical way this study suggests how we might learn further lessons from this troubling phase of modern political development Jacket

Vilfredo Pareto Joseph V. Femia, 2016-02-11 This collection examines the work of the Italian economist and social theorist Vilfredo Pareto highlighting the extraordinary scope of his thought which covers a vast range of academic disciplines The volume underlines the enduring and contemporary relevance of Pareto s ideas on a bewildering variety of topics while illuminating his attempt to unite different disciplines such as history and sociology in his quest for a holistic understanding of society Bringing together the world s leading experts on Pareto this collection will be of interest to scholars working in the fields of sociology and social psychology monetary theory and risk analysis philosophy and intellectual history and political science and rhetoric *Main Currents in Sociological Thought: Volume Two* Raymond Aron, 2025-05-06 The second volume of the landmark study examining the work of sociology s defining thinkers from the turn of the nineteenth century to the interwar period *Main Currents in Sociological Thought* remains a foundational synthesis in the field In this second and final volume of his classic survey Raymond Aron explores the work of three figures who profoundly shaped sociology as it entered the twentieth century Durkheim who continued Comte s quest for a science of society and a scientific validation of morality Pareto the Italian neo Machiavellian who emphasized the elitist character of all societies and Weber the German sociologist who reflected critically on the prospects for human freedom in an age of disenchantment Bringing together penetrating intellectual portraits of these great thinkers and close readings of their most consequential texts *Main Currents in Sociological Thought* highlights the historical and intellectual context within which each man wrote and draws out their works enduring insights and influence in the field today Main Currents in Sociological Thought: Volume 2 Raymond Aron, 2018-10-03 This is the second of Raymond Aron s classic two volume survey of the sociological tradition arguably the

definitive work of its kind Aron explores the work of three figures who profoundly shaped sociology as it entered the twentieth century mile Durkheim who continued Auguste Comte s quest for a science of society and a scientific validation of morality Vilfredo Pareto the Italian neo Machiavellian who emphasized the oligarchic or elitist character of all societies and the German sociologist Max Weber who reflected critically on the prospects for human freedom in an age marked by bureaucratization and rationalization Aron presents rich portraits of these three thinkers drawing out the enduring insights that remain in their work At the same time he reflects critically on Durkheim s project for a science of society Pareto s critique of humanitarianism and Weber s tragic pessimism Above all the book is remarkable for demonstrating Aron s lifelong indebtedness to and divergence from the thought of Max Weber the sociologist par excellence in Aron s view This Routledge Classics edition includes an introduction by Daniel J Mahoney and Brian C Anderson
