Carrillo, 2011-02-01 A mountain biker participating in a 100 KM race has a vision of a man calling him by name which later leads to him identifying this man as a Cardinal and a subsequent revelation of the identity and name of an upcoming Pope The author reveals his story in hopes of sharing with all a collective spiritual experience that he interprets in association with the St Malachy Prophecy and a living Cardinal as Pope Peter      *Runaway Religious in Medieval England, C.1240-1540* F. Donald Logan, 2002-05-16 The runaway religious were monks canons and friars who had taken vows of religion and who with benefit of neither permission nor dispensation fled their monasteries and returned to a life in the world usually replacing the religious habit with lay clothes No legal exit for the discontented was permitted religious vows were like marriage vows in this respect until the financial crisis caused by the Great Schism created a market in dispensations for priests in religious orders to leave take benefices and live as secular priests The church therefore pursued runaways with her severest penalty excommunication in the express hope that penalties would lead to the return of the straying sheep Once back whether by free choice or by force the runaway was received not with a feast for a prodigal but in a rite of stark severity with the imposition of penalties deemed suitable for a sinner      **Communication Habits for the Pilgrim Church** Warren Anthony Kappeler, 2009

Communication has become an important theme and heuristic concept in practical theology for Roman Catholics during the ecumenical age. *Communication Habits for the Pilgrim Church* explains why the moral order is given priority in Vatican teaching about communication and the reasons for Catholic social teaching to make moral judgments about these new realities. Attention is given in the book to the historical context of Vatican Councils I and II. The first chapter shows that behind the pilgrim Church lies an emerging vision of the threefold ecclesial offices of priest, prophet, and king. Chapter two examines the text and context of the Second Vatican Council's pastoral decree *Inter Mirifica*. Chapter three provides a documented history of the Vatican's Pontifical Council for Social Communication and its teachings. In chapter four we return to the threefold office and examine the contribution of Pope John Paul II. It includes an analysis of how the politics of the Magisterium shapes Catholic social teaching. Chapter five develops major tenets of a critical analysis of the communication of the post-Vatican II Church; attention is given to the discursive aspects of religious authority, argumentation, bureaucratization, and market culture. Chapter six takes a step toward examining the pragmatics of contemporary Vatican teaching. For Roman Catholic moral theology, religious ethics is now deeply concerned with providing moral teaching and guidance on ethical questions raised by the social conditions of globalization and media communication. *Communication Habits for the Pilgrim Church* concludes that there are three basic sociological and theological aspects of the pilgrim Church. These include a ritual approach to religious communication, the generational experience of Catholics, and their respective attitudes toward Church teaching and the important link in the faith's praxis between reflexivity and forming habits of communication.

Clarke John Erskine Clarke, 1870      *The Catholic Church and Politics in Nicaragua and Costa Rica* Philip J. Williams, 2010-11-23. Unlike most recent studies of the Catholic Church in Latin America, Philip J. Williams analyzes the Church in two very dissimilar political contexts: Nicaragua and Costa Rica. Despite the obvious differences, Williams argues that in both cases the Church has responded to social change in remarkably similar fashion. The efforts of progressive clergy to promote change in both countries have been largely blocked by Church hierarchy, fearful that such change will threaten the Church's influence in society.
