

# The Russian Civil War

**Michael Foley**

## **The Russian Civil War:**

**The Russian Civil War** Evan Mawdsley,2009-02-24 Examines the causes and events of the 1917 revolution in Russia that led to the rise of Communism

**The "Russian" Civil Wars, 1916-1926** Jonathan Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

**The Origins of the Russian Civil War** Geoffrey Swain,2013-11-26 Concentrating on the turbulent months from February 1917 to November 1918 Geoffrey Swain explores the origins of the Civil War against the wider background of revolutionary Russia He examines the aims of the anti Bolshevik insurgents themselves but he also shows how far the fear of civil war governed the action of the Provisional Government and even the plans of the Bolsheviks If the war itself can seem a fairly straightforward line up of revolutionaries and counter revolutionaries this study reveals how complex were the motives of the people who precipitated it

**Red Victory** W. Bruce Lincoln,1989 A chronicle of the Russian Civil War from 1918 to 1921

**Russia in Flames** Laura Engelstein,2018 Laura Engelstein one of the greatest scholars of Russian history has written a searing and defining account of the Russian Revolution the fall of the old order and the creation of the Soviet state

**Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele,2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world s first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and

political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War

**Red Victory** W. Bruce Lincoln,1999-05-07 Shortly after withdrawing from World War I Russia descended into a bitter civil war unprecedented for its savagery epidemics battles mass executions forced labor and famine claimed millions of lives From 1918 to 1921 through great cities and tiny villages across untouched forests and vast frozen wasteland the Bolshevik Reds fought the anti Communist Whites and their Allies fourteen foreign countries contributed weapons money and troops including 20 000 American soldiers This landmark history re creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars while never losing sight of the horrifying human cost **The Russian Civil War** Evan Mawdsley,2009-02-24 The best book ever written on the Russian civil war A first rate work of scholarly synthesis Robert McNeal In St Petersburg on October 25 1917 the A commanding chronicle of the three Bolshevik Party stormed the capital city and turbulent years that brought the ironfisted seized the power over the Russian Provisional Soviet regime to political power Government which had been operating ineffectively since the abdication of Tsar Nicholas II eight months before That October Revolution began the Russian Civil War which in three years would cost the largest country in the world more than seven million lives It was an apocalyptic struggle replete with famine and pestilence but out of the struggle a new social order would rise The Soviet Union Mawdsley offers a lucid superbly detailed account of the men and events that shaped twentieth century communist Russia He draws upon a wide range of sources to recount the military course of the war as well as the hardship the conflict brought to a country and its people for the victory and the reconstruction of the state under the Soviet regime came at a painfully high economic and human price *The Russian Civil War* V.P. Butt,Geoffrey Swain,A.B. Murphy,N.A. Myshov,2016-01-07 Russia s experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period These newly released documents reveal how the events of 1918 22 reflected struggles and tensions in Russian society that were more complex than the simple Red White propaganda war In this collection the authors have sought out documents which highlight the complexities of the struggle exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed The Russian Revolution Nik Cornish,2012-07-19 Often the drama of the October Revolution and the Bolshevik seizure of power overshadow the disastrous Russian German war that preceded it and the extended confusing many sided civil war between the Reds and the Whites that followed But Nik Cornishs vivid photographic history gives equal coverage to each of these momentous events and shows how the Russian empire of the Romanovs was transformed into the Soviet dictatorship Contemporary photographs show the leading characters in the drama Tsar Nicholas II Kerensky Lenin and Trotsky and other Bolsheviks and the White commanders Denikin Kolchak Wrangel and the rest But they also record in an unforgettable way the ordinary people who were caught up in the surge of events civilian crowds on

the city streets peasant groups in the villages the faces of common soldiers on all sides who fought on multiple fronts across Russia from Poland the Baltic states and the White Sea to the Black Sea and Siberia The scale of the conflict was remarkable as was the intensity of the experience of those who took part and witnessed it and this collection of historic photographs gives a poignant insight into the conditions of their time It is a fascinating introduction to a period that saw a sea change in Russian history

*Russian Civil War* Michael Foley,2018-08-30 This historical study examines how the Bolshevik Revolution and Russian Civil War influenced events on the world stage in the Great War and beyond The Russian Revolution of 1917 is remembered as the catalyst for a bloody conflict between the Communist Red Army and the anti Communist White Army But in reality the conflict was far more complex and multifaceted involving forces from outside Russia In this probing history Michael Foley examines the Russian Civil War in terms of its relationship to the larger conflict raging across Europe It is an epic tale of brutal violence and political upheaval featuring a colorful cast of characters including Tsar Nicholas II Vladimir Lenin Leon Trotsky Joseph Stalin and Winston Churchill

*Russian Civil War* Introbooks,2020-01-06 The Russian Civil War is regarded as one of the most important occurrences in the 20th century There were not one but many reasons which sparked the Civil War in Russia The event is at times clubbed together with the Great War The number of people died in the Russian Civil War was so high that it shadowed the American Civil War The end of Tsars saw different areas of Russia claiming for independence Extremism and arrogance of some swept aside all humanity and raged on Russia and her people There was situation of complete chaos in Russia The Civil War was between the Red Army and the Whites Although these two were the main parties who were in war with each other there were several others who were revolting and fighting against them The Bolsheviks or the Red Army won the war while the Whites lost World War I had left deep impacts on all the participating countries and Russia was not spared The vitality and enthusiasm with which they entered the war had them suffer many fatalities Irrespective of the many reasons why the Civil War happened the consequences led to a new government new thoughts of society and economy The Bolsheviks wanted to uproot all the social problems which were existing in the society because of the difference in class They did succeed to some extent Once Tsarist rule came to an end Communist movement took over which was frightening The rule of the Communists did not last long but since its mere existence made it look like one of the important happenings in the twentieth century

**Nestor Makhno in the Russian Civil War** Michael Malet,1982-06-18

**The Bolshevik Revolution and Russian Civil War** Rex A. Wade,2001 Examines the Bolshevik Revolution and the Russian Civil War through narrative history and analysis biographies and primary documents also includes a glossary an annotated bibliography and a time line

**Experiencing Russia's Civil War** Donald J. Raleigh,2002-11-17 This book is the only comprehensive history of the total experience of the Russian Civil War Focusing on the key Volga city of Saratov and the surrounding region Donald Raleigh is the first historian to fully show how the experience of civil war embedded itself into both the people s and the state s outlook and behavior He demonstrates how and

why the programs and ideals that had propelled the Bolsheviks into power were so quickly lost and the repressive Soviet party state was born Experiencing Russia's Civil War is based on exhaustive use of previously classified local and central archives It is also bold and ambitious in its breadth of thematic coverage dealing with all aspects of the war experience from institutional evolution and demographics to survival strategies Complicating our understanding of this formative period Raleigh provides compelling evidence that many features of the Soviet system that we associate with the Stalin era were already adumbrated and practiced by the early 1920s as Bolshevism became closed to real alternatives Raleigh interprets this as the consequence of a complex dynamic shaped by Russia's political tradition and culture Bolshevik ideology and dire political economic and military crises starting with World War I and strongly reinforced by the indelible mythologized experience of survival in the Civil War Fluidly written replete with new information and always engaged with important questions this is history finely wrought

**The Russian Civil War, 1918-1921** A. S. Bubnov, S. S. Kamenev, M. N. Tukhachevskii, R. P. Eideman, 2020-08-31 The Russian Civil War was one of the most fateful of the 20th century's military conflicts a bloody three year struggle whose outcome saw the establishment of a totalitarian communist regime within the former Russian Empire As such it commands the attention of the military specialist and layman alike as we mark the one hundredth anniversary of the war's end This work is the third volume of the three volume Soviet official history of the Russian Civil War which appeared during 1928-1930 just before the imposition of Stalinist orthodoxy While the preceding volumes focused on the minutiae of the Red Army's organizational development and military art this volume provides an in depth description and analysis of the of the civil war's major operations along the numerous fronts from the North Caucasus the Don and Volga rivers the White Sea area the Baltic States and Ukraine as well as Siberia and Poland It also offers a well argued case for the political reasons behind the Bolsheviks military strategy and eventual success against their White opponents And while it is a certainly a partisan document with a definite political bias it is at the same time a straightforward military history that manages to avoid many of the hoary myths that later came to dominate the subject As such it is easily the most objective account of the struggle to emerge from the Soviet Union before the collapse of the communist system in 1991

Philip Mironov and the Russian Civil War Sergei Starikov, 2013-10-02 He was an authentic hero of World War I and the Russian Revolution He commanded a successful Red Army that treated prisoners mercifully refrained from pillaging the countryside and educated the people about the objectives of the Bolshevik regime His eloquent advocacy of the ideas and aspirations of farmers and workers in the civil war period after World War I helped to weaken the cause of the White armies Yet Philip Mironov has been systematically defamed in official Soviet history and today his name is remembered by very few This Cossack leader was distrusted and even despised by the more radical Communists removed from his army command and tried for treason Leon Trotsky declared him a traitor and careerist who wanted to climb upward on the backs of the toiling masses After being pardoned and rehabilitated at least partly through Lenin's personal intervention Mironov continued in his

independent ways until he was again arrested by the Cheka Secret Police While exercising in a prison courtyard in Moscow on April 2 1921 he was mysteriously shot in the back and killed Drawing upon archives reminiscences and Mironov's own brief fragmentary unpublished memoir Sergi Starikov and the celebrated Soviet scholar Roy Medvedev have written a compelling book that helps explain the complex social processes of revolutionary Russia *The Russian Civil War (1)* Mikhail Khvastov, 1996-05-15 The main instrument with which the Bolsheviks imposed communism on Russia was the Red Army Traditionally the origins of this army were among the factory workers who laid down their tools and took up arms as a way of expressing their grievances Already formed by the time of the revolutions of 1905 and February 1917 these militant workers organised themselves into parliamentary detachments known as the krasnogvardeytsi or Red Guards In this first of two volumes see *Men at Arms 305 White Armies* focusing on the Russian Civil War 1917-1923 Mikhail Khvastov examines the Red Army's organisation weaponry uniforms and insignia *Party, State, and Society in the Russian Civil War* Diane P. Koenker, William G. Rosenberg, Ronald Grigor Suny, 1989-12-22 This volume is a valuable source of information that also represents a genuinely collaborative approach to understanding Soviet history The collection is so rich that every scholar and teacher of Soviet history will want to consult it Highly recommended Choice Documentation of this well edited volume is exhaustive It can be highly recommended for undergraduate and graduate students and specialists History This is a surprisingly readable well structured book that is an absolute necessity for a college library as well as a useful addition to a scholar's personal library *Perspectives on Political Science* essential reading abundant empirical research and fresh interpretations *The Russian Review* To what extent were the social responses and political choices of the Civil War years the product of social and economic circumstances and to what extent were they the result of the independent exercise of conscious political will This landmark volume presents the leading edge of current scholarship on the social history of the Russian Civil War **The Origins of the Russian Civil War** Geoffrey Swain, 2013-11-26 Concentrating on the turbulent months from February 1917 to November 1918 Geoffrey Swain explores the origins of the Civil War against the wider background of revolutionary Russia He examines the aims of the anti-Bolshevik insurgents themselves but he also shows how far the fear of civil war governed the action of the Provisional Government and even the plans of the Bolsheviks If the war itself can seem a fairly straightforward line up of revolutionaries and counter-revolutionaries this study reveals how complex were the motives of the people who precipitated it

### **The Russian Civil War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Russian Civil War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Russian Civil War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that

the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Russian Civil War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About The Russian Civil War Books

**What is a The Russian Civil War PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Russian Civil War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Russian Civil War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Russian Civil War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Russian Civil War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
