## **The Salvation Controversy:**

**The Salvation Controversy** James Akin,2001 There are times when you just know as if by instinct and often before you are able to say exactly why that an argument you are hearing is fatally flawed it gives off something like the hollow thump of cheap glass But then there are those rare and precious times when you read a book or an article and ping there is no mistaking This is the real thing At the banquet table of apologetics James Akin's *The Salvation Controversy* is the finest of fine crystal Questions relating to salvation especially faith versus works but also penance purgatory indulgences and free cooperation with God's grace have been sore points in the dialogue between Catholics and Protestants Mr Akin knows and respects the Protestant tradition in which he was raised and the Catholicism he has come to embrace He is not about to falsify either or to pretend that crucial differences do not exist But he is also unwilling to allow theological slogans such as faith alone to distract us from significant points of agreement His method is to follow Scripture and Tradition wherever they lead and he is formidably equipped for the task with honesty clarity of mind and an abundance of logical skill Book jacket

*The Salvation Controversy* G. Michael Cocoris,2008 *The Drama of Salvation* Jimmy Akin,2015 *The Drama of Salvation* Jimmy Akin,2015-04-01 Where Will You Spend Eternity The drama of salvation involves every man woman and child on earth In this life all of us are suspended between heaven and hell Few people understand what Jesus did or how it affects us Worse yet there are endless squabbles between Christians of different persuasions leading to confusion on a massive scale In this book Jimmy Akin uses his expertise in Scripture and Church teaching to cut through the confusion and provide clear answers on important issues like What we need to do to be saved Whether salvation is a one time event or a process Whether penance is part of God's plan What indulgences are How faith and works relate What the Church teaches about justification How far apart Protestants and Catholics are on this question Whether you have to be a Catholic or a Christian to be saved No other book takes on these questions with the clarity and precision that Akin brings to them and the answer will affect you and those you love forever
