Thomas Tracy

Unappeasable Host Studies In Irish Identities:

The Unappeasable Host Robert Tracy, 1998 *The Unappeasable Host Studies in Irish Identities* explores some of the tensions created when Anglo Irish writers Protestant in religion of non Irish ancestry reflected upon their preferred subject matter Ireland and their unhyphenated Catholic contemporaries These tensions involve the writers sense of anxiety about their own membership in the Irish community and at the same time their anxiety about losing their distinctive identity Anglo Irish writers founded modern Irish literature in English identifying themselves with their native country and its people Yet they often felt themselves surrounded and watched by an Unappeasable Host a population that resented them Robert Tracy discusses Irish writers who in England were considered Irish in Ireland English including Maria Edgeworth and Lady Morgan the Banim brothers Roger O Connor Sheridan Le Fanu W B Yeats J M Synge Elizabeth Bowen together with James Joyce who although neither of English ancestry nor Protestant similarly focuses on individuals separated or excluded from the Irish life around them *Irishness and Womanhood in Nineteenth-Century British Writing* Thomas Tracy, 2017-11-30 In *The Wild Irish Girl* the powerful Irish heroine s marriage to a heroic Englishman symbolizes the Anglo Irish novelist Lady Morgan s re imagining of the relationship between Ireland and Britain and between men and women Using this most influential of pro union novels as his point of departure the author argues that nineteenth century debates over what constitutes British national identity often revolved around representations of Irishness especially Irish womanhood He maps out the genealogy of this development from Edgeworth s *Castle Rackrent* through Trollope s Irish novels focusing on the pivotal period from 1806 through the 1870s The author s model enables him to elaborate the ways in which gender ideals are specifically contested in fiction the discourses of political debate and social reform and the popular press for the purpose of defining not only the place of the Irish in the union with Great Britain but the nature of Britishness itself *The Routledge Research Companion to Anthony Trollope* Deborah Denenholz Morse, Margaret Markwick, Mark W. Turner, 2016-09-01 Bringing together leading and newly emerging scholars *The Routledge Research Companion to Anthony Trollope* offers a comprehensive overview of Trollope scholarship and suggests new directions in Trollope studies The first volume designed especially for advanced graduate students and scholars the collection features essays on virtually every topic relevant to Trollope research including the law gender politics evolution race anti-Semitism biography philosophy illustration aging sport emigration and the global and regional worlds **Irish Writing in the Twentieth Century** David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes *Irish Writing in the Twentieth Century* ideal as a core text providing a unique focus for

detailed study in a single volume **BOOK JACKET** **The Cambridge Companion to Fiction in the Romantic Period** Richard Maxwell, Katie Trumpener, 2008-02-21 While poetry has been the genre most closely associated with the Romantic period the novel of the late eighteenth and early nineteenth centuries has attracted many more readers and students in recent years Its canon has been widened to include less well known authors alongside Jane Austen Walter Scott Maria Edgeworth and Thomas Love Peacock Over the last generation especially a remarkable range of popular works from the period have been re discovered and reread intensively This Companion offers an overview of British fiction written between roughly the mid 1760s and the early 1830s and is an ideal guide to the major authors historical and cultural contexts and later critical reception The contributors to this volume represent the most up to date directions in scholarship charting the ways in which the period s social political and intellectual redefinitions created new fictional subjects forms and audiences

The Unappeasable Host Robert Tracy, 1998 Some of the topics and authors covered in the essays more than half of which are new include the colonial novel Edgeworth the Banim Brothers Roger O Connor Le Fanu Yeats Synge Joyce and Bowen Robert Tracey Professor of English and Celtic Studies at the University of California Berkeley has been a leading scholar in Irish studies for four decades **The European Avant-Garde** Selena Daly, Monica Insinga, 2013-02-21 The European Avant Garde Text and Image is an interdisciplinary collection of thirteen essays relating to the study of European Avant Garde movements between 1900 and 1940 The essays cover both literary and artistic subjects across geographical linguistic and disciplinary boundaries Various aspects of the English Irish German French Italian Spanish and Polish avant gardes are explored examining both diverse literary genres such as prose poetry and drama and specific avant garde movements such as Futurism and Surrealism The volume includes a lengthy introductory essay by Prof John J White Emeritus Professor of German and Comparative Literature at King s College London Avant garde studies can be enhanced and developed through dialogue with other disciplines such as translation gender exile and comparative studies Thus the volume is divided into four sections Representations of the Body Translating the Avant Garde Identity and Exile and Comparative Perspectives and the Legacy of the Avant Garde

The Poems of W. B. Yeats Peter McDonald, 2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this second volume the

poems of Yeats's early maturity emerge in the contexts of his engagement with Irish history and myth along with nationalist politics his increasing involvement with ritual magic and esoteric lore and his turbulent often unhappy personal life The poems of *The Countess Kathleen* and *Various Legends and Lyrics* 1892 reveal a poet of intense narrative power and metaphorical resource adept at transforming miscellaneous sources into haunting and original poems A major revision of his earlier narrative *The Wanderings of Oisín* takes place in this decade when Yeats is also taken up with the composition of elaborate and uncanny symbolic lyrics many of them resulting from his love for Maud Gonne that are finally collected in *The Wind Among the Reeds* 1899 This edition makes it possible to trace in detail Yeats's debts to folklore and magic alongside his involved and often difficult private and public life in poetry of exceptional complexity and power

Land and Landscape in Nineteenth-century Ireland Úna Ní Bhroiméil, Glenn Hooper, 2008 In the unsettled political and social context of nineteenth century Ireland the land provides a space for negotiation of identity of nationality of ownership The changing landscape over time provides a link between past and present between real and imagined communities This collection published in association with the Society for the Study of Nineteenth Century Ireland recognizes the centrality of land to the discourse on nineteenth century Ireland It explores the human interaction with land focuses on perception and memory and on the symbolism of land and landscape Book Jacket *Irish University Review*, 2007 A journal of Irish studies *The Canadian Journal of Irish Studies*, 2004 *Yeats*, 1998

The Irish Storyteller Georges Denis Zimmermann, 2001 Supported by documents many of which were not readily available or have never been published before this book studies images of the Irish traditional storyteller offered at different periods from several viewpoints and for various purposes Invariables changes ruptures and the effect of conflicting attitudes and ideologies are identified Contextualized in Irish history and on the wider European scene this huge book explores the testimony of early antiquarians accounts of meetings with storytellers by 18th or 19th century travelers representations of acts of elite storytelling in ancient Irish literature or of popular ones in oral tradition itself and in fiction in English attention is given to the works of Maria Edgeworth Lady Morgan the Banim brothers and Griffin Carleton Lover Le Fanu Somerville and Ross Yeats Synge George Moore and Joyce and some more recent authors The evolution of the aims and methods of folklorists from the Romantic Age to the institutionalization of collecting and to modern ethnographic projects and the links between definitions of folklore and cultural nationalism are investigated as are the complex relationships between storytelling history and truth and the concepts of Irishness and tradition Another section tries to establish what is known of actual storytelling in the 19th century and in the first half of the 20th the tellers training their techniques and conception of tradition their status the etiquette of performance and the role of the audience Themes and formal characteristics of different kinds of oral narratives are examined

Anáil an Bhéil Bheo Nessa Cronin, Seán Crosson, John Eastlake, 2009 *An il an Bhéil Bheo* brings together a stimulating range of interdisciplinary essays considering the connections between orality and modern Irish culture From literature to song folklore to the visual

arts contributors examine not only the connections between oral and textual traditions in Ireland but also the theoretical concept of orality itself and the corresponding significance of oral texts in Irish society Featuring work by emerging scholars in the fields of history literature folklore music women TM s studies film and theatre studies and disciplines contributing to Irish Studies this multifaceted volume also includes contributions from scholars long engaged with issues of orality such as Gear 3id Crualaoich and Henry Glassie **British and Irish Literature and Its Times** Joyce Moss,Lorraine Valestuk,2001 This volume contains introductions and historical background to numerous British and Irish literary works HJEAS ,2003 *Back to the Present, Forward to the Past* International Association for the Study of Irish Literatures. Conference,2006 *Irish Literature 1750-1900* Julia M. Wright,2008-02-11 Over the past twenty years interest in Irish literature has risen dramatically across the globe *Irish Literature 1750 1900 An Anthology* presents in one volume the rich body of Irish writing between the Enlightenment and Modernism This expansive anthology offers full texts of short plays fiction and poetry by a wide selection of prominent writers including Richard Brinsley Sheridan Maria Edgeworth Thomas Moore James Clarence Mangan Samuel Ferguson Lady Jane Wilde and Oscar Wilde It features a selection of collaboratively authored works by the Edgeworths the Banims and the Kavanaghs as well as excerpts from collaborative publications such as Paddy s Resource and The Nation Special attention is paid to the work of Ireland s women writers as well as a number of Ulster poets and writers who emigrated to North America during this period Designed specifically for classroom use this essential resource offers a variety of helpful features for students including a chronology of historical events and major literary works of the era **Studies** ,1998 Includes section Review of books **Victorians Institute Journal** ,2003
