Uncanny Attractions:

Monstrous Utopias Michael Mark Chemers, Analola Santana, 2026-03-02 Monstrous Utopias examines how monsters in performance theatre media and literature reflect and subvert societal understandings This book considers the ethical and hopeful work of monsters and examines ways in which playwrights theatre and performance artists film artists drag artists dancers cultural practitioners and activists have engaged the monster to reflect the ongoing fears including racist sexist homophobic and others of our society and how those monsters might offer a radical sense of hope Providing perspectives by top scholars in the field and curated by Michael Mark Chemers and Analola Santana two leaders in the field of monster studies Monstrous Utopias is a global and exploratory collection that offers meaningful insights into the ways in which the figure of the monster can be used to radically envisage utopias and provide moments of hope to audiences These essays are essential reading for Theatre and Performance students of all levels as well as scholars It will also be an enlightening text for those interested in monstrosity and Cultural Studies more broadly

Fairground Attractions Deborah Philips, 2012-01-01 The study investigates the cultural production of the visual iconography of popular pleasure grounds from the eighteenth century pleasure garden to the contemporary theme park Deborah Philips identifies the literary genres including fairy tale gothic horror Egyptiana and the Western which are common to carnival sites and traces their historical transition across a range of media to become familiar icons of popular culture Though the bricolage of narratives and imagery found in the contemporary leisure zone has been read by many as emblematic of postmodern culture the author argues that the clash of genres and stories is less a consequence of postmodern pastiche than it is the result of a history and popular tradition of conventionalized iconography

Theatre and the Macabre Meredith Conti, Kevin J. Wetmore, Jr., 2022-03-01 The macabre as a process and product has been haunting the theatre and more broadly performance for thousands of years In its embodied meditations on death and dying its thematic and aesthetic grotesquerie and its sensory rich environments macabre theatre invites artists and audiences to trace the stranger darker contours of human existence In this volume numerous scholars explore the morbid and gruesome onstage from freak shows to the French Grand Guignol from Hell Houses to German Trauerspiel from immersive theatre to dark tourism stopping along the way to look at phantoms severed heads dark rides haunted mothers and haunting children dances of death and dismembered bodies From Japan to Australia to England to the United States the global macabre is framed and juxtaposed to understand how the theatre brings us face to face with the deathly and the horrific
