Humber,2016-01-20 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epithaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections **Boys' Life** ,1915-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting Looking for Comfortable Shoes Jackie Ganem,2011-09-15 This is a story about changethe cultural change required of a Lebanese immigrant family new to the United States and the dramatic personal change that comes as the result of a family tragedy The book is in two parts Through a series of vignettes the reader is introduced to a cast of unique characters in an immigrant family Their stories are amusing and touching The second part of the book is told in small stories and deals with the complex changes in a family after the attempted suicide and mental illness of the youngest child The familys world as they knew it stopped The author changed in such fundamental ways that it is as if she had two lives one before this tragedy and one after Her evolution took her from a traditional suburban housewife and mother to that of an ambitious career woman eager to grow and move away from all she had ever known This is a true story told with great honesty love and surprising humor Jackie Ganems memoir is a sensitive look at growing up in America in a Lebanese immigrant family Yet it is so much more Ganem skillfully documents her own life as she progresses through the roles of a wife in a difficult marriage a mother learning to relate constructively and compassionately to her

troubled daughter and a devoted partner to her lifelong companion Ganems prose is evocative and descriptively specific to the remarkable woman who is central to this story Jane Katims author of Dancing on a Slippery Floor **Everyland** ,1919
