Parliament. Rajya Sabha,1952 **Religion and Politics in Harare 1890-1980** Carl F. Hallencreutz,1998 **Article 8 ECHR, Family Reunification and the UK's Supreme Court** Helena Wray,2023-02-09 How do courts reconcile protecting family life with immigration control in human rights cases This book addresses that question through an analysis of 11 UK Supreme Court decisions on immigration and family life mostly focusing on Article 8 ECHR the right to respect for family life and starting with Huang v SSHD in 2007 The analysis is set against a national context that includes the Human Rights Act 1998 and regular controversies over immigration The book explains how the European Court of Human Rights jurisprudence has developed in recent years but particularly in the absence of children it often still awards little weight to claims by citizens and residents to be joined by family when immigration status is an issue This reflects governments resistance to encroachment on their control over borders The Supreme Court decisions show that despite powers conferred by the Human Rights Act a more nuanced position in domestic law was difficult to articulate and sustain The book explores the way in which these problems were reflected in the changing language argumentation and structure of judgments These problems revealed judges to be strategic actors drawing on personal and institutional values and responding to the shifting political context A more generous reading of Article 8 would be legally coherent but needs wider societal support to be realisable The book ends with a discussion of how if such support were present the jurisprudence could give more weight to the needs of families It is vital reading for anyone interested in families and immigration and in the problems and potential of human rights adjudication **Contemporary Authors** Frances Carol Locher,1980 Contains alphabetically arranged profiles of contemporary authors in a range of media including

books magazines newspapers television radio and film each with personal data addresses career history and a list of writings and in some cases a list of works in progress sidelights avocational interests and an interview **Uganda and Human Rights** International Commission of Jurists (1952-),1977 **Socialist Society in the Present Stage** Mikhail Trifonovich Iovchuk,1978 *Historians of Early Modern Europe* ,1977 **Roman Catholic/Pentecostal Dialogue (1977-1982)** Jerry L. Sandidge,1987 Vatican II opened the doors of the Roman Catholic Church for official theological dialogue with separated brethren The rise of the neo Pentecostal movement and charismatic renewal caused the doors of the historical Pentecostals to open toward Christians in the mainline churches This book discusses the historical precedents of the Vatican Pentecostal Dialogue and reviews the ten years Dialogue 1972 1982 with special attention given to the second five years The implications of this Dialogue for ecumenism is also discussed Volume Two contains all the documents from the second quinquennium including the 16 theological papers and final report
