

A sunset over a rocky beach. The sky is a gradient of orange and red, transitioning into a darker blue at the horizon. The foreground is filled with dark, jagged rocks of various sizes, some partially submerged in the shallow water. The water is dark and reflects the colors of the sky. The overall mood is serene and contemplative.

Unity without truth isn't even  
unity – it's pure individualism.

Edited by Hywel Rees Jones It was just a handful of people but because of the life that was in it and the power of the Spirit  
upon it the early church was mighty It shook the world Today the picture is one of chaos and confusion within the church as  
well as outside it The church has become uncertain of her own message The Christian faith is being queried denied and  
ridiculed almost as never before The Lord Jesus Christ is reduced to Jesus a mere man He has been robbed of his eternal  
sonship his unique deity and all his miracles his atoning work and his literal physical resurrection Dr Martyn Lloyd Jones  
calls on evangelicals to unite in a clear and uncompromising stand for the truth once delivered to the saints in a fearless  
proclamation of the biblical gospel which is the only answer to man s desperate need and in prayer for a fresh outpouring of  
the power of the Holy Spirit in revival Dr D Martyn Lloyd Jones 1899 1981 one of the most remarkable preachers of this  
century exercised a wide and influential ministry which began in his native Wales and continues today through the many  
books that have been published He is especially known as the minister of Westminster Chapel in London a position he  
occupied for nearly thirty years These addresses originally given under the auspices of the British Evangelical Council BEC  
are still as relevant today as when they were first preached      **History of the Church of Jesus Christ of Latter Day**
