**The Unkindest Cut** Honor Hartman, 2008 HARTMAN UNKINDEST CUT *The Unkindest Cut of All* Sue Barnard (Fiction writer), 2019 *The American Indian* Roger L. Nichols, 1986 Essays on various aspects of the Native American Experience *Is Lighter Better?* Joanne L. Rondilla, Paul R. Spickard, 2007 Colorism is defined as discriminatory treatment of individuals falling within the same racial group on the basis of skin color In other words some people particularly women are treated better or worse on account of the color of their skin relative to other people who share their same racial category Colorism affects Asian Americans from many different backgrounds and who live in different parts of the United States *Is Lighter Better* discusses this often overlooked topic Joanne L Rondilla and Paul Spickard ask important questions such as What are the colorism issues that operate in Asian American communities Are they the same issues for all Asian Americans for women and for men for immigrants and the American born for Chinese Filipinos Koreans Vietnamese and other Asian Americans Do they reflect a desire to look like White people or is some other motive at work Including numerous stories about and by people who have faced discrimination in their own lives this book is an invaluable resource for people interested in colorism among Asian Americans **The Unkindest Cut** Joe Queenan, 1995 Following in the maverick mold of Quentin Tarantino Spike Lee and Richard Rodriguez Joe Queenan becomes an auteur and in the process funnier than ever as he tries to master the art of writing directing scoring casting and marketing a movie all by himself *The Unkindest Cut* Joe Ramsey, 2007-03 Lorna straightened up and sucked in her breath She knew she had gotten into a dangerous alley fight when DOF decided to stop the Wilsons But she was at a loss to figure what was going on now She knew that George Barlow and even Sam Perkins had gone to bat for her and that they had lost at least they had lost up to this point She rose from the chair opposite Barlow as he rose with her She faced him and held her hand out to shake his He responded and took her hand Thanks for trying to help George I ll start the hearing process She turned and left Barlow was left alone drained exhausted and truly depressed standing in front of his desk watching her leave As she shut the door to his office behind her he walked back behind his desk and slumped to his chair shaking his head frowning Retirement looked better and better In fact he decided then that he would indeed step down He couldn t stand this kind of thing anymore But he would never quit until he rescued Lorna from whatever sinister force was in motion against her And he intended to do whatever it took to do just that Starting now **Once More Unto the Speech, Dear Friends: The tragedies** William Shakespeare, 2006-12 Applause Books There has been a great change in the last twenty years to actor auditions which now require the demonstration of enormous flexibility The actor is often expected to show more range than ever before and often several shorter audition speeches are asked for instead of one or two longer ones To stay at the top of his or her game the Shakespearean actor needs more knowledge of what makes the play tick especially since the early plays demand a different style from the later ones Each genre comedy history tragedy has different requirements No current monologue book deals directly with the bulk of

these concerns One More unto the Speech Dear Friends now fills that gap This three volume set will help actors discover the extra details of humanity that the original folio texts automatically offer Of Shakespeare s 37 plays only Pericles is not included In the trilogy of books there are over 900 separate audition possibilities This represents about 600 more monologues than are available in any other series There are four parts to each speech A background giving context and approximate timing A modern text version The original folio version Commentary to explain the differences between the two texts including full discussion of the devices peculiar to that speech s genre the age and gender of the character and more
