**Unknown Life of Jesus Christ** Notovitch Nicolas (author),1901      The Unknown Life Of Jesus Christ The Original Text Of Nicolas Notovitch's 1877 Discovery Nicolas Notovitch,2025-05 The unknown life of Jesus Christ The original text of Nicolas Notovitch s 1877 discovery presents a narrative rooted in spiritual inquiry and cross cultural exploration Through firsthand accounts of travel and dialogue with Tibetan monks the text offers an alternative perspective on the figure of Jesus referred to as Issa as remembered in ancient Tibetan chronicles It invites readers to consider a broader historical and religious context by examining claims of Jesus s presence and teachings beyond traditional Western narratives The work emphasizes the pursuit of spiritual truths through unfamiliar paths challenging conventional religious boundaries and engaging with overlooked records It underscores the author s efforts to bridge disparate traditions particularly Christianity and Buddhism by highlighting shared values and philosophical overlaps The journey through monasteries and rugged landscapes becomes symbolic of an inward search for understanding This book does not merely recount physical travels but foregrounds the intellectual and spiritual challenges of uncovering hidden knowledge By positioning suppressed histories and overlooked scriptures at the center it argues for the value of openness in religious thought and the possibility that accepted accounts may leave out vital elements of a greater spiritual story

**CHRIST or The tale of Issa Nicolas Notovitch,** Nicolas Notovitch,2014-07-31 Amazing discovery in a Buddhist temple a new life of Christ In it he spends many years studying the Buddhist scriptures before returning before his death a pioneer to bring the insights of ancient India to the west and to deliver sermons filled with Buddhist inspiration CALLENDER SACRED TXETS      Unknown Life of Jesus Nicolas Notovitch,2004 Controversial since it was first published in 1890 Nicolas Notovitch s *The Unknown Life of Jesus* relates that Jesus Christ spent at least part of the years of his life unaccounted for in the Bible from the age of 13 to 29 teaching and studying in India and other parts of Asia Notovitch was on an extended journey through the Orient to study the customs and habits of the inhabitants of India During his travels he visited a Buddhist monastery near Mulbek close to the Wakha River Here a Lama told him that Jesus whom the Buddhists called Issa had visited

the region and that there were ancient manuscripts documenting Jesus visit and that copies existed at other monasteries Notovitch was able to convince the monks at the Hemis Monastery to read from these documents and as an interpreter translated Notovitch transcribed *The Unknown Life of Jesus Christ* Nicolas Notovitch,1894 **The Unknown Life of Jesus Christ** Nicolas Notovitch,2014 When in Tibet in the late 1800s Notovitch heard of a manuscript that revealed astonishing information on the sixteen lost years of Jesus from 12 years to a man of 28 the period the Bible is silent on Notovitch published the account which relates that Jesus spent this time in India and Tibet studying the spiritual disciplines of the East **The Unknown Life of Jesus Christ** Nicolas Notovitch,2010-01-20 Nicolas Notovitch author of *The Unknown Life of Jesus Christ* was a Russian aristocrat Cossack officer spy and journalist known for his contention that during the years of Jesus Christ s life missing from the Bible he followed traveling merchants abroad into India and the Hemis Monastery in Ladakh Nepal where he studied Buddhism While recovering from a broken leg at the the monastery of Himis Notovitch discovered the text to *The Life of Issa* and realized that it recounted the lost years of Jesus The descriptions of Indian life in this book are illuminating and realistic Regarding the descriptions of Jesus life in India similar material exists in the Gospel of Thomas which was discovered in Nag Hamadi Nicolas Notovitch traveled extensively throughout India Afghanistan and Tibet during the 1890 s His journeying took him through a variety of remote places such as the passes of Bolan across the Punjab and eventually into the beautiful and historic Vale of Kashmir of the Himalayas On one such voyage whilst he was visiting Leh the main city of Ladakh Notovitch broke his leg in an accident While convalescing at the Himis convent Notovitch heard that there were ancient writings chronicling the life of Jesus Christ existed Subsequently he traced and studied a Tibetan rendition of these writings and copied down in his journal in excess of two hundred verses from the curious document referred to as *The Life of St Issa* Notovitch also translated some Tibetan volumes from which he later wrote his extra biblical book which later became known as *The Unknown Life of Jesus Christ* **The Unknown Life of Jesus Christ** Nicholas Notovitch,2017-04-25 In this biography of Christ Nicholas Notovitch claims that Jesus spent many of his missing years traversing India A Crimean Jewish adventurer and explorer of India Notovitch traveled widely across the East in the late nineteenth century He claimed to have discovered a biographical document in Hemis Monestary Ladakh India from which he created this book The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time After Notovitch was confronted with the inconsistencies in this book he apparently confessed to having fabricated the entire biography of Jesus Christ For years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery A resident monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ Today although Notovitch s alternate account of Jesus life and existence during his lost years is discredited it remains an interesting and notable episode in Christian biography For his part Notovitch continued to write for the remainder of his life albeit on topics

surrounding politics and national leaders rather than religion This reprint of *The Unknown Life of Jesus Christ* contains the classic translation to English by Jain scholar Virchand R Gandhi

**The Unknown Life of Jesus** Nicolas Notovitch, 2002-05-01 First published in 1894 this purports to be a lost gospel of St Issa or Jesus Christ discovered in the Hemis monastery in Ladakh Northern India The text asserts that Jesus spent time in India and Tibet during his famous 18 missing years Also included with the text are the Foreword and Epitome written by its alleged discoverer Russian author Nicolas Notovich describing his travels through Tibet and India his discussions with the native lamas and his analysis of the manuscript

*The Unknown Life of Jesus Christ* Nicolas Notovitch, 2021-01-02 Discover the unknown life of Jesus Christ as revealed by Nicolas Notovitch This manuscript is the original text of Nicolas Notovitch's 1887 Discovery Translated by J H Connelly and L Landsberg

*The Unknown Life of Jesus Christ* Nicolas Notovitch, 2021-12-03 The traditional Christian doctrine lacks information about the life of Jesus Christ in the age of 13-33 This book first published at the end of the 19th century gives an unexpected answer It is based on the Tibetan manuscript found in 1980s and tells that the mystery of the lost years of Jesus lies in his travel to Nepal There he learned Buddhist teachings and philosophy to complete his world view and later reflect it in his teaching The book has caused some big waves in its time and the discussions continue even today Was this possible and real What was the purpose of such a dangerous journey The proponents of this theory state that at the time of Jesus Christ Nepal was a center of the most advanced philosophy Buddhism It was natural for a spiritual leader to learn and teach one of the best philosophies of the world

*The Unknown Life of Jesus Christ* Nicolas Notovitch, 2017-08-07 After the Turkish War 1877-1878 I made a series of travels in the Orient From the little remarkable Balkan peninsula I went across the Caucasus to Central Asia and Persia and finally in 1887 visited India an admirable country which had attracted me from my earliest childhood My purpose in this journey was to study and know at home the peoples who inhabit India and their customs the grand and mysterious archaeology and the colossal and majestic nature of their country Wandering about without fixed plans from one place to another I came to mountainous Afghanistan whence I regained India by way of the picturesque passes of Bolan and Guernai Then going up the Indus to Raval Pindi I ran over the Punjab the land of the five rivers visited the Golden Temple of Amritsa the tomb of the King of Punjab Randjid Singh near Lahore and turned toward Kachmyr The Valley of Eternal Bliss Thence I directed my peregrinations as my curiosity impelled me until I arrived in Ladakh whence I intended returning to Russia by way of Karakorum and Chinese Turkestan One day while visiting a Buddhist convent on my route I learned from a chief lama that there existed in the archives of Lhasa very ancient memoirs relating to the life of Jesus Christ and the occidental nations and that certain great monasteries possessed old copies and translations of those chronicles As it was little probable that I should make another journey into this country I resolved to put off my return to Europe until a later date and cost what it might either find those copies in the great convents or go to Lhasa a journey

which is far from being so dangerous and difficult as is generally supposed involving only such perils as I was already accustomed to and which would not make me hesitate at attempting it During my sojourn at Leh capital of Ladak I visited the great convent Himis situated near the city the chief lama of which informed me that their monastic library contained copies of the manuscripts in question In order that I might not awaken the suspicions of the authorities concerning the object of my visit to the cloister and to evade obstacles which might be opposed to me as a Russian prosecuting further my journey in Thibet I gave out upon my return to Leh that I would depart for India and so left the capital of Ladak An unfortunate fall causing the breaking of a leg furnished me with an absolutely unexpected pretext for returning to the monastery where I received surgical attention I took advantage of my short sojourn among the lamas to obtain the consent of their chief that they should bring to me from their library the manuscripts relating to Jesus Christ and assisted by my interpreter who translated for me the Thibetan language transferred carefully to my notebook what the lama read to me Not doubting at all the authenticity of this chronicle edited with great exactitude by the Brahminic and more especially the Buddhistic historians of India and Nepaul I desired upon my return to Europe to publish a translation of it To this end I addressed myself to several universally known ecclesiastics asking them to revise my notes and tell me what they thought of them Mgr Platon the celebrated metropolitan of Kiew thought that my discovery was of great importance Nevertheless he sought to dissuade me from publishing the memoirs believing that their publication could only hurt me Why This the venerable prelate refused to tell me more explicitly Nevertheless since our conversation took place in Russia where the censor would have put his veto upon such a work I made up my mind to wait
