

You asked if I'd give us a chance
But our love could not be.
Although my heart was calling out
You were not right for me.
Perhaps another place or time
Perhaps another world
But as it is, as we are now,
I cannot be your girl.
I'd love to know what I'd have felt
If I let you inside.
And I'd love to know where we'd have been
If only we had tried.

Unrequited Poems:

Poems of Unrequited Love Sam Jeffery, 2011-04 Unrequited Patti Sirens, 2019-03 Patti intended this collection to be a collage of relationships those that went awry or ended too soon or where the two lovers involved were not well matched in their dedication or devotion to the relationship She wrote these poems as a catharsis an exorcism a healing They are interwoven with the seasons and nature to show the passage of time and how these affairs of the heart started progressed and broken down and how they colored and affected other aspects of the poet s life Her intention is to celebrate the finding of love and the spark of desire and to acknowledge the ways in which despite our best intentions we sometimes fall short of love how longing for an other is often a longing for something inside ourselves which we haven t yet discovered and how a lover is often a mirror for that strength or gift inside us In many of these pieces is the poet s desire to get it right and she wanted to express that maybe just the risk of loving another and being loved sometimes not in the ways the poet had wanted or expected but with a willingness to go for a wild ride regardless of where it ended is in itself getting it right For the poet these relationships were indeed a wild ride and she invites the reader to come along in the experience of these poems **To**

In spite of this wide array of moods conveyed by the author it is abundantly clear that these poems are borne out of an intense love for Ramonaa love often tinged with pain Before publishing this volume the author commissioned a traditional hand bound copy of these poems as a personal gift to Ramona the woman who inspired them **The Exquisite Pain of the Unrequited: Poems** J.R.
