## Until That Good Day:

**Until That Good Day** Marjorie Kemper, 2025-09-23 *Until That Good Day* is a stunning debut novel loosely based on the Marjorie Kemper's family history. Set in Louisiana in the 1930s, the story revolves around John Washington, a successful traveling salesman who passes in the white community. John's young daughter Vivien is a lulu of an unreliable narrator with charm to spare. Profoundly moving as well as comical and sweet, this is a haunting story with dynamite characters from a literary prize-winning author.

**In Good Company** Bruce Bartling, 2010-01-22 The story in this book is about catching wild salmon on a commercial troller. I somehow managed to get a job fishing when I just turned sixteen. To a sixteen-year-old boy, this was the adventure of a lifetime. No parents, no fussy school teachers, and a whole new world to explore. Most people weren't consumed by television in the nineteen fifties as most people didn't have television sets. I fell in love with nature during this time. This story tells of things that actually happened and those made up merely to entertain the reader. Which is which, I'll let you decide.
