Wole Soyinka: Literature, Activism, and African Transformation Bola Dauda, Toyin Falola, 2021-09-09 This timely and expansive biography of Wole Soyinka the Nigerian writer Nobel laureate and social activist shows how the author's early years influence his life's work and how his writing in turn informs his political engagement Three sections spanning his life major texts and place in history connect Soyinka's legacy with global issues beyond the borders of his own country and indeed beyond the African continent Covering his encounters with the widespread rise of kleptocratic rule and international corporate corruption his reflection on the human condition of the North South divide and the consequences of postcolonialism this comprehensive biography locates Wole Soyinka as a global figure whose life and works have made him a subject of conversation in the public sphere as well as one of Africa's most successful and popular authors Looking at the different forms of Soyinka's work plays novels and memoirs among others this volume argues that Soyinka used writing to inform mobilize and sometimes incite civil action in a decades long attempt at literary social engineering *The Interpreters* Wole Soyinka, 2021-09-14 From the first Black winner of the Nobel Prize in Literature his debut novel about a group of young Nigerian intellectuals trying to come to grips with themselves and their changing country First published in 1965 Friends since high school the five young men at the heart of *The Interpreters* have returned to Lagos after studying abroad to embark on careers as a physician a journalist an engineer a teacher and an artist As they navigate wild parties affairs of the heart philosophical debates and professional dilemmas they struggle to reconcile the cultural traditions and Western influences that have shaped them and that still divide their country Soyinka deftly weaves memories of the past through scenes of the present as the five friends move toward an uncertain future The result is a vividly realized fictional world rendered in prose that pivots easily from satire to tragedy and manages to be both wildly funny and soaringly poetic *You Must Set Forth at Dawn* Wole Soyinka, 2007-03-13 The first African to receive the Nobel Prize in Literature as well as a political activist of prodigious energies Wole Soyinka now follows his modern classic *Ake The Years of Childhood* with an equally important chronicle of his turbulent life as an adult in and in exile from his beloved beleaguered homeland In the tough humane and lyrical language that has typified his plays and novels Soyinka captures the indomitable spirit of Nigeria itself by bringing to life the friends and family who bolstered and inspired him and by describing the pioneering theater works that defied censure and tradition Soyinka not only recounts his exile and the terrible reign of General Sani Abacha but shares vivid memories and playful anecdotes including his improbable friendship with a prominent Nigerian businessman and the time he smuggled a frozen wildcat into America so that his students could experience a proper Nigerian barbecue More than a major figure in the world of literature Wole Soyinka is a courageous voice for human rights democracy and freedom *You Must Set Forth at Dawn* is an intimate chronicle of his thrilling public life a meditation on justice and tyranny and a mesmerizing testament to a ravaged yet hopeful land **Perspectives on Wole Soyinka** , Essays that examine the aesthetics and the

radical politics of one of Africa's greatest writers **Wole Soyinka** Mpalive-Hangson Msiska, 1997-11 The book reconsiders Soyinka's contribution to the debate about African identity exploring the various elements constituting his distinctive aesthetic and apprehension of African culture It concentrates on his plays his fiction and poetry and investigates his views on the relationship between myth history and modernity primarily highlighting his conception of the nature of African post colonial society and power Also the book looks at Soyinka's exploration of the metaphysical aspects of evil particularly as manifested in political violence and in addition it examines his belief in the irrepressibility of the human desire to transcend any form of political spiritual and social oppression Finally it argues that Soyinka's major contribution to our understanding of contemporary African life and art lies in his attempts to move beyond the idea of identity as an opposition between Self and Other to a conception of identity in which such concepts are either themselves questioned or transferred *The Man Died* Wole Soyinka, 1994
