Pests Bethany Brookshire,2022-12-06 An engrossing and revealing study of why we deem certain animals pests and others not from cats to rats elephants to pigeons and what this tells us about our own perceptions beliefs and actions as well as our place in the natural world A squirrel in the garden A rat in the wall A pigeon on the street Humans have spent so much of our history drawing a hard line between human spaces and wild places When animals pop up where we don t expect or want them we respond with fear rage or simple annoyance It s no longer an animal It s a pest At the intersection of science

history and narrative journalism Pests is not a simple call to look closer at our urban ecosystem It s not a natural history of the animals we hate Instead this book is about us It s about what calling an animal a pest says about people how we live and what we want It s a story about human nature and how we categorize the animals in our midst including bears and coyotes sparrows and snakes Pet or pest In many cases it s entirely a question of perspective Bethany Brookshire s deeply researched and entirely entertaining book will show readers what there is to venerate in vermin and help them appreciate how these animals have clawed their way to success as we did everything we could to ensure their failure In the process we will learn how the pests that annoy us tell us far more about humanity than they do about the animals themselves

Mongrels Stephen Graham Jones,2016-05-10 Nominated for both the Shirley Jackson and Bram Stoker Awards and a Best of 2016 selection of Tor com and Book Riot acclaimed horror writer Stephen Graham Jones *The Only Good Indians* and *My Heart is a Chainsaw* *Mongrels* goes beyond your typical werewolf story to show a young boy mired in poverty and always on the run coming of age in a world that fears him and hates his family but may just be more monstrous than he could ever be He was born an outsider like the rest of his family Poor yet resilient he lives in the shadows with his aunt Libby and uncle Darren folk who stubbornly make their way in a society that does not understand or want them They are mongrels mixed blood neither this nor that The boy at the center of *Mongrels* must decide if he belongs on the road with his aunt and uncle or if he fits with the people on the other side of the tracks For ten years he and his family have lived a life of late night exits and narrow escapes always on the move across the South to stay one step ahead of the law But the time is drawing near when Darren and Libby will finally know if their nephew is like them or not And the close calls they ve been running from for so long are catching up fast now Everything is about to change

A compelling and fascinating journey *Mongrels* alternates between past and present to create an unforgettable portrait of a boy trying to understand his family and his place in a complex and unforgiving world. A smart and innovative story, funny, bloody, raw, and real, told in a rhythmic voice full of heart, *Mongrels* is a deeply moving, sometimes grisly novel that illuminates the challenges and tender joys of a life beyond the ordinary in a bold and imaginative new way.
