A Woman of Independent Means Elizabeth Forsythe Hailey,Elizabeth F. Hailey,1995 At the turn of the century a time when women had few choices Bess Steed Garner inherits a legacy not only of wealth but of determination and desire making her truly a woman of independent means From the early 1900s through the 1960s we accompany Bess as she endures life s trials and triumphs with unflinching courage and indomitable spirit the sacrifices love sometimes requires of the heart the flaws and rewards of marriage the often tested bond between mother and child and the will to defy a society that demands conformity

Texas Women Writers Sylvia Ann Grider,Lou Halsell Rodenberger,1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists Contemporary American Women Fiction Writers Laurie Champion,Rhonda Austin,2002-11-30 American women writers have long been creating an extraordinarily diverse and vital body of fiction particularly in the decades since World War II Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self expression This reference highlights American women writers who continue to build upon the formerly male dominated canon Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II Each entry is written by an expert contributor and includes L DBLA brief biography L DBLA discussion of major works and themes DBLA survey of the writer s critical reception L DBLA bibliography of primary and secondary sources

Jewishness and Beyond Miklós Konrád,2024-08-06 Throughout the nineteenth century Hungary s government steadily dismantled obstacles that kept its rapidly expanding Jewish communities from enjoying the full benefits of citizenship The state s concerted efforts to Magyarize Jews promoted Hungarian language culture and sensibilities but did not officially require Jews to abandon their faith Nevertheless tens of thousands of Hungarian Jews converted to Christianity during this era with conversion rates continuing to rise even as Judaism gained full legal equality

Jewishness and Beyond addresses the apparent contradiction between these two trends. Despite the egalitarian promises and laws of Hungary's liberal nationalist government, the administration and traditional elites as a whole maintained a persistent bias against Jews that spurred particularly high conversion rates among the community's upper echelons. While Christians never forgot converted Jews' origins and increasingly thought of them in racialized terms, they also valued and generally rewarded conversion and the symbolic gesture of baptism. Conversion was an uneven and ever-shifting process in which gender and occupation played key roles and where the actual percentage of converts within the total Hungarian Jewish population contrasted sharply with both Christian and Jewish perceptions of its frequency and spread. *Jewishness and Beyond* which can be read as an introduction to the identity dilemmas of Hungarian Jews in the age of emancipation reveals the motivations and strategies behind the conversions of Hungarian Jews, the complex reactions within and outside of their communities, and converts' own grappling with conversion's expected and unforeseen outcomes. *As the Earth Turns Silver* Alison Wong, 2009-06-29. From the late nineteenth century to the 1920s, from Kwangtung China to Wellington and Dunedin and the battlefields of the Western Front, a story of two families. Yung faces a new land that does not welcome the Chinese. Katherine struggles to raise her children and find her place in the world. In a climate of hostility towards the foreign newcomers, Katherine and Yung embark on a poignant and far-reaching love affair. He came from behind and held her in his arms, told her to look again at earth and sky and water. Could she see how the world turned silver? People died, he told her, because they were afraid. They did not go out at night on dangerous water. They did not see the earth as it turned overnight to silver.
