New to this Edition A new chapter on gender and migration Expanded discussion of transgender rights as well as masculinity studies Brings seven new contributors to the collection with newly authored chapters on Gender and Environment Gender and Education Gender and Sexuality and Gender and Race Fully revised and updated with new material and new case examples Greater attention to intersectional approaches and international reach

Societies in Transition – Challenges to Women's and Gender Studies Heike Fleßner, Lydia Potts, 2002-01-31 Currently women's and gender studies programs exist in many countries around the world It is a crucial task for the future of this still emerging discipline to enhance international communication and cooperation between study programs students scholars activists and professionals If we consider the ideals and concepts of emancipation and participation as core principles of women's and gender studies then our global networking requires systematic inclusion of non western perspectives at all levels of research teaching and curriculum development The international conference Societies in Transition Challenges to Women's and Gender Studies held at Carl von Ossietzky Universität Oldenburg Germany from June 28 through July 1 2001 was intended as a step in this direction bringing together speakers all represented in this book from a variety of countries Poland and Hungary Great Britain and New Zealand India and Nepal South Africa Jordan Turkey and Yemen Although this list might at first appear arbitrary its composition was both carefully and intentionally constructed As organizers we knew that a comparatively small conference could not entertain a fully inclusive representation of women's and gender studies programs worldwide

Introduction to Women's, Gender and Sexuality Studies L. Ayu Saraswati, Barbara L. Shaw, Heather Rellihan, 2020-11-04 Introduction to Women's Gender Sexuality Studies Interdisciplinary and Intersectional Approaches Second Edition reflects the exciting changes taking place in this field Emphasizing both interdisciplinarity and intersectionality this innovative mix of anthology and textbook includes key primary historical sources debates on contemporary issues and recent work in science technology and digital cultures Readings from a range of genres including poetry short stories op eds and feminist magazine articles complement the scholarly selections and acknowledge the roots of creative and personal expression in the field While the majority of selections are foundational texts the book also integrates new work from established scholars and emerging voices to expand current debates in the field The text is enhanced by thorough overviews that begin each section robust and

engaging pedagogy that encourages students to think critically and self reflexively and also to take action as well as supplemental online resources for instructors Publisher Women, Gender, and Sexuality in China Ping Yao,2021-12-30 Women Gender and Sexuality in China A Brief History serves as a focal textbook for undergraduate courses on women gender and sexuality in Chinese history Thematically structured it surveys important aspects of gender systems and gender practices throughout Chinese history from the earliest period to the modern era Topics include the concept of yin yang life course and gender roles kinship systems and family structure marriage practices sexuality women s work and daily life as well as gender in Chinese mythology religions medicine art and literature In narrating how various traditions and practices were formed and evolved throughout Chinese history this textbook draws heavily on personal stories and historical records Features in this textbook include Primary source sections for each chapter introducing students to types of documents that have been used by scholars in conducting research Thirty three translated texts of various genres including epitaph bronze inscription medical text imperial edict legal case family letter ghost story divorce paper poetry autobiography etc Dedicated biography sections for five distinguished women Offering richly layered accounts of women gender and sexuality this textbook is essential reading for students of Chinese history gender in world history or the comparative history of gender

Engendering Psychology Florence Denmark,Vita Carulli Rabinowitz,Jeri A. Sechzer,2016-01-08 Engendering Psychology s treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category Women and Gender in 18th-century Russia Wendy Rosslyn,2003 This collection of essays by authorities in the field from the USA Russia and Western Europe focuses on the social history and culture both of noblewomen and of lower class women about whom relatively little is currently known Much of the research is based on women s own evidence and on archival documents The volume opens with a survey of research in this area and with discussions of male constructions of femininity at the beginning and end of the century Women s culture is explored through women s own accounts of their education and studies of their letters and literary works Particular attention is paid to the direction of their reading by mentors and to the journals provided for women by male writers Special topics include dress and cosmetics arrangements for the defence of privacy dowries and irregular marital unions Three essays uncover evidence about the lives of lower class women their involvement with the courts and their experience of employment Women, Gender and Everyday Social Transformation in India

Kenneth Bo Nielsen, Anne Waldrop, 2014-08-01 The pace of socioeconomic transformation in India over the past two and a half decades has been formidable This volume sheds light on how these transformations have played out at the level of everyday life to influence the lives of Indian women and gender relations more broadly Through ethnographically grounded case studies the authors portray the contradictory and contested co existence of discrepant gendered norms values and visions in a society caught up in wider processes of sociopolitical change *Women Gender and Everyday Social Transformation in India* moves the debate on gender and social transformation into the domain of everyday life to arrive at locally embedded and detailed ethnographically informed analyses of gender relations in real life contexts that foreground both subtle and not so subtle negotiations and contestations *Women, Gender and Religious Cultures in Britain, 1800-1940* Sue Morgan, Jacqueline de Vries, 2010-06-10 This volume is the first comprehensive overview of women gender and religious change in modern Britain spanning from the evangelical revival of the early 1800s to interwar debates over women s roles and ministry This collection of pieces by key scholars combines cross disciplinary insights from history gender studies theology literature religious studies sexuality and postcolonial studies The book takes a thematic approach providing students and scholars with a clear and comparative examination of ten significant areas of cultural activity that both shaped and were shaped by women s religious beliefs and practices family life literary and theological discourses philanthropic networks sisterhoods and deaconess institutions revivals and preaching ministry missionary organisations national and transnational political reform networks sexual ideas and practices feminist communities and alternative spiritual traditions Together the volume challenges widely held truisms about the increasingly private and domesticated nature of faith the feminisation of religion and the relationship between secularisation and modern life Including case studies further reading lists and a survey of the existing scholarship and with a British rather than Anglo centric approach this is an ideal book for anyone interested in women s religious experiences across the nineteenth and twentieth centuries
