

SLEEPING WITH

SCHUBERT

THE MUSICAL COMPANION
TO THE NEW NOVEL
BY BONNIE MARSON

Sleeping With Schubert

Minjie Lin

Sleeping With Schubert:

Sleeping with Schubert Bonnie Marson, 2007-12-18 It seems that the legendary composer Franz Schubert is alive well sort of in the twenty first century His soul has taken up residence in the body of Brooklyn lawyer Liza Durbin Even more astonishing so has his prodigious gift A mediocre pianist at best as a child Liza can suddenly pound out concertos and compose masterly music out of the blue But how can a brilliant male Austrian composer from the nineteenth century coexist in the everyday life of a modern American woman And how can Liza explain what s happened to her without everyone thinking she s gone off the deep end Fortunately the evidence is tangible and Liza is soon brought into the esteemed halls of Juilliard under the tutelage of the revered and feared Greta Pretsky a humorless woman whose only interest in Liza is her channeling of Schubert Greta s greedy for her next big star and the entire New York City press is whispering of Liza s brilliance as the public awaits her debut at Carnegie Hall Even Liza s boyfriend Patrick seems more in love with her than ever Yet as Liza yields to Franz s great passion her own life and identity threaten to elude her Why was she chosen as the vessel for this musical genius and when if ever will he leave Their entwined souls follow a path of ecstasy peril and surprise as they search for the final liberating truth A strikingly original novel *Sleeping with Schubert* plays on years of speculation regarding Franz Schubert s Unfinished Symphony Bonnie Marson s extraordinary imagination supposes that Schubert cannot truly die until the mystery is solved even if it means being resurrected in the body of a deceptively ordinary woman Filled with drama and humor this irresistible novel explores love genius and identity in ways that will engage and amaze readers

Schubert's Poets and the Making of Lieder Susan Youens, 1999-10-28 Lieder began with words with the composer s discovery of a poet and a poetic work but the scholarly study of lieder has tended to bypass those origins Schubert s choice of poets has traditionally come under fire for the preponderance of mediocre talent and yet many of these writers were highly esteemed in their day In her highly acclaimed study Susan Youens has chosen four such poets Gabriele von Baumberg Theodor Körner Johann Mayrhofer and Ernst Schulze in order to re-examine their lives works and Schubert s music to their verse All four poets were vivid inhabitants of a vivid era and their tribulations afford us added insight into the upheavals the manners and mores of their day

[Clinician's Handbook of Adult Behavioral Assessment](#) Michel Hersen, 2006 Given the vast amount of research related to behavioral assessment it is difficult for clinicians to keep abreast of new developments In recent years there have been advances in assessment case conceptualization treatment planning treatment strategies for specific disorders and considerations of new ethical and legal issues Keeping track of advances requires monitoring diverse resources limited to specific disorders many of which are theoretical rather than practical or that offer clinical advice without providing the evidence base for treatment recommendations This handbook was created to fill this gap summarizing critical information for adult behavioral assessment The Clinician s Handbook of Adult Behavioral Assessment provides a single source for understanding new developments in this field cutting across strategies techniques and disorders Assessment

strategies are presented in context with the research behind those strategies along with discussions of clinical utility and how assessment and conceptualization fit in with treatment planning The volume is organized in three sections beginning with general issues followed by evaluations of specific disorders and problems and closing with special issues To ensure cross chapter consistency in the coverage of disorders these chapters are formatted to contain an introduction assessment strategies research basis clinical utility conceptualization and treatment planning a case study and summary Special issue coverage includes computerized assessment evaluating older adults behavioral neuropsychology ethical legal issues work related issues and value change in adults with acquired disabilities Suitable for beginning and established clinicians in practice this handbook will provide a ready reference toward effective adult behavioral assessment **Bowker's Guide to Characters in Fiction 2007** ,2008-02 *Schubert's Winter Journey* Ian Bostridge,2015-01-27 An exploration of the world's most famous and challenging song cycle Schubert's Winter Journey Winterreise by a leading interpreter of the work who teases out the themes literary historical psychological that weave through the twenty four songs that make up this legendary masterpiece Completed in the last months of the young Schubert's life Winterreise has come to be considered the single greatest piece of music in the history of Lieder Deceptively laconic these twenty four short poems set to music for voice and piano are performed uninterrupted in little more than an hour it nonetheless has an emotional depth and power that no music of its kind has ever equaled A young man rejected by his beloved leaves the house where he has been living and walks out into snow and darkness As he wanders away from the village and into the empty countryside he experiences a cascade of emotions loss grief anger and acute loneliness shot through with only fleeting moments of hope until the landscape he inhabits becomes one of alienation and despair Originally intended to be sung to an intimate gathering performances of Winterreise now pack the greatest concert halls around the world Drawing equally on his vast experience performing this work he has sung it more than one hundred times on his musical knowledge and on his training as a scholar Bostridge teases out the enigmas and subtle meanings of each of the twenty four lyrics to explore for us the world Schubert inhabited his biography and psychological makeup the historical and political pressures within which he became one of the world's greatest composers and the continuing resonances and affinities that our ears still detect today making Schubert's wanderer our mirror Forgotten Streams in the History of 19th-Century German Psychology Carlos Cornejo,Cristián Hernández Maturana,2025-02-12 The 19th century was a defining era for psychology rich with an intellectual diversity that shaped modern thought but which remains largely overlooked The roots of 20th century thought can be traced to the 19th century when a mechanical worldview took hold society grew increasingly secular modern urban metropolises emerged and evolutionist ideas reshaped the understanding of nature's developmental principles Throughout this century the natural sciences extended beyond their traditional limits influencing and reshaping the human moral and social sciences among which psychology was especially impacted as this transformation sparked profound debates on the very possibility of a

science of the soul *Forgotten Streams in the History of 19th Century German Psychology* recovers the vibrant roots of psychology in empiricism romanticism idealism phenomenology among other streams of thought that explored consciousness the soul and the self before experimental psychology took center stage Unlike the standard view this book invites readers to reconsider psychology's history revealing a complex landscape that questions the simplistic story of a linear path toward empiricism Through profiles of significant yet forgotten thinkers this work uncovers how their ideas contributed to discussions of the unconscious mind body duality and inner experience Written by leading scholars each chapter offers a unique window into an intellectual movement that continues to influence debates in psychology philosophy and beyond Essential for historians psychologists and anyone curious about psychology's deeper origins *Forgotten Streams* is an indispensable reference that fills an important gap enriching our understanding of psychology's complex and multifaceted development

Schubert's Dramatic Lieder Marjorie Wing Hirsch, 1993-08-12 This book explores the way in which Schubert revolutionised the Lied transforming folk song into art song through the mixture of dramatic and lyrical vocal genres By introducing dramatic poetry and musical traits within solo song settings he turned the Lied into a highly expressive musical medium capable of conveying the complexities and nuances of the new Romantic poetry In so doing he created an art form which attracted nearly every subsequent composer of the period Schubert's numerous dramatic songs have baffled critics from his day to our own Their unusual stylistic characteristics through composed form progressive tonal structures declamatory vocal lines illustrative accompaniments fly in the face of traditional conceptions of the Lied Dr Hirsch's discussion and analysis of selected dramatic Lieder illuminate Schubert's compositional innovation

The Wing of Love Katharine Mary Cheever Meredith, 1905

Music, Narrative and the Moving Image, 2019-05-15 In extending the traditional field of Word and Music Studies to include research on film and other forms of moving visualizations this volume focuses on innovative discussions of artistic works showing relationships between three individual communicative media This trifocal interdisciplinary perspective is reflected in seventeen essays that cover the historical space from the 19th to the 21st centuries and discuss a wide variety of individual genres in the represented media These range from Parisian cabaret to revolutionary Peking opera from silent film to Holocaust narration from documentary propaganda movies to opera film interludes and more The investigation of historical cases is broadened by reflections on theoretical and functional issues

primarily in film music which show a remarkable breadth of technical and perceptual varieties The essays here collected are of relevance to scholars and students of film studies musicology and literature as well as readers generally interested in Intermediality Studies Schubert's Songs Richard Capell,1977-11-21 **The Critic** ,1894 A Midsummer Dance Dream Anna Bird Stewart,William Shakespeare,1916 **The Musical Times and Singing-class Circular** ,1879

Whispering the Techniques of Language: An Mental Journey through **Sleeping With Schubert**

In a digitally-driven earth wherever monitors reign great and instant communication drowns out the subtleties of language, the profound secrets and psychological nuances hidden within words frequently move unheard. Yet, nestled within the pages of **Sleeping With Schubert** a captivating fictional treasure pulsating with natural emotions, lies an exceptional journey waiting to be undertaken. Composed by a skilled wordsmith, this enchanting opus attracts visitors on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the cloth of every word. Within the mental depths of the poignant evaluation, we can embark upon a sincere exploration of the book is primary themes, dissect its fascinating writing fashion, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.
