**The Impressionists** William Gaunt, 1970 The purpose of this book is to describe the aims and achievements of the Impressionist movement and to illustrate them in a magnificent series of colour plates It shows how within the framework of the movement each artist has applied his own interpretation of these aims to landscape portraiture and still life employing new technical methods as he discovered them Jacket *The Impressionists* Francesco Salvi, 2008 This book describes the development of Impressionism and presents the eleven artists who made up the Impressionist group including reproductions and analyses of their work *The Impressionists* Michael Wilson, 1990 The fascinating and moving story of the Impressionist painters

**Paintings by the Impressionists** Desmond Fitzgerald, American Art Association, 1927

**The Impressionists Handbook** Robert Katz, Dars Celestine, 1999 The two authors who are both knowledgeable writers with extensive background in the study of art and art history write engagingly about the history of impressionism and the life and works of Pissarro Manet Degas Monet Renoir and Sisley At 7x8 5 the book is compact but the format is large enough to accommodate decent reproductions of many of the paintings under consideration This is a thoughtfully prepared well written treatment of the subject with none of the ponderousness that handbook might imply It was originally published in 1991 by Bookmart Ltd UK Annotation copyrighted by Book News Inc Portland OR

**The Impressionists at First Hand (Second) (World of Art)** Bernard Denvir, 2023-11-14 An updated edition of this classic collection of letters critical reviews and reminiscences by impressionist artists and their contemporaries The impressionists Claude Monet douard Manet Edgar Degas Berthe Morisot Camille Pissarro Pierre Auguste Renoir Alfred Sisley and others are probably the most popular of all artistic schools Their struggle to impose a new vision is one of the most absorbing stories in the whole history of art With imagination and insight art historian Bernard Denvir brings impressionism into focus by showing it through the eyes of the artists themselves and their contemporaries against the background of the time Through letters critical reviews statements and reminiscences of the people who were there the story of this groundbreaking art movement comes alive This was the age of innovation political liberalization emergent photography and modern ideas about perception The impressionists had new ways of painting but they also had a new world to paint This revised edition now features full color reproductions of art throughout and an updated bibliography
