Contributions are made with after-tax dollars

Can be invested in stocks, mutual funds, and ETFs

Limit to contributions

The Ira

Eamonn O'Doherty

The Ira:

Armed Struggle Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster *The Times* An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald *Observer* Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart *Irish Times* The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of *Angela's Ashes* **The IRA, 1968-2000** J. Bowyer Bell, 2000 The study focuses on the intricate workings of an organization involved in armed struggle for over 30 years and is based on thousands of interviews accompanied by penetrating analysis The IRA James C. Dingley, 2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world's premier terrorist group to explain them in ideological as well as operational terms *The IRA The Irish Republican Army* begins by examining the historical background to the development of the IRA the group's basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment The IRA's attachment to violence almost as an end in itself its conflation of Catholicism with Irishness its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the group's scholastic Catholicism foundation For academic audiences in Irish studies politics sociology history and security and defense studies as well as professional security forces and interested general readers with an interest in current affairs this book supplies a wholly new perspective on both the IRA and terrorism in general **The I.R.A. and Its Enemies** Peter Hart, 1999-11-18 What is it like to be in the IRA or at their mercy This study explores the lives and deaths of the enemies and victims of the County Cork IRA between 1916 and 1923 **The IRA on Film and Television** Mark Connelly, 2014-01-10 The Irish Republican Army IRA has for decades pursued the goal of unifying its homeland into a single sovereign nation ending British rule in Northern Ireland Over the years the IRA has been dramatized in motion pictures directed by John Ford *The Informer* Carol Reed *Odd Man Out* David Lean *Ryan's Daughter* Neil Jordan *Michael Collins* and many others Such international film stars as Liam Neeson James Cagney Richard

Gere James Mason and Anthony Hopkins have portrayed IRA members alternately as heroic patriots psychotic terrorists and tormented rebels This work analyzes celluloid depictions of the IRA from the 1916 Easter Rising to the peace process of the 1990s Topics include America s role in creating both the IRA and its cinematic image the organization s brief association with the Nazis and critical reception of IRA films in Ireland Britain and the United States *A Secret History of the IRA* Ed Moloney,2002 A portrayal of the Irish Republican Army includes coverage of its associations with Qaddafi s regime Margaret Thatcher s secret diplomacy with Gerry Adams and the Catholic Church s negotiations with Republican leadership The Intelligence War against the IRA Thomas Leahy,2020-03-26 The exposure of two senior republicans as informers for British intelligence in 2005 led to a popular perception that the IRA had lost the intelligence war and was pressurised into peace In this first in depth study across the entire conflict Thomas Leahy re evaluates the successes and failures of Britain s intelligence activities against the IRA from the use of agents and informers to special forces surveillance and electronic intelligence Using new interview material alongside memoirs and Irish and UK archival materials he suggests that the IRA was not forced into peace by British intelligence His work sheds new light on key questions in intelligence and security studies How does British intelligence operate against paramilitaries Is it effective When should governments talk to terrorists And does regional variation explain the outcome of intelligence conflicts This is a major contribution to the history of the conflict and of why peace emerged in Northern Ireland **The IRA** James C. Dingley,2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world s premier terrorist group to explain them in ideological as well as operational terms *The IRA* The Irish Republican Army begins by examining the historical background to the development of the IRA the group s basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment The IRA s attachment to violence almost as an end in itself its conflation of Catholicism with Irish ness its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the groups scholastic Catholicism foundation For academic audiences in Irish studies politics sociology history and security and defense studies as well as professional security forces and interested general readers with an interest in current affairs this book supplies a wholly new perspective on both the IRA and terrorism in general The IRA James Dingley,2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world s premier terrorist group to explain them in ideological as well as operational terms *The IRA* The Irish Republican Army begins by

examining the historical background to the development of the IRA the group's basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment The IRA's attachment to violence almost as an end in itself its conflation of Catholicism with Irishness its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the group's scholastic Catholicism foundation For academic audiences in Irish studies politics sociology history and security and defense studies as well as professional security forces and interested general readers with an interest in current affairs this book supplies a wholly new perspective on both the IRA and terrorism in general

The IRA Tim Pat Coogan,1993 The complete history of the Irish Republican Army including extensive interviews with figures from both sides of the sectarian divide in Northern Ireland

The IRA, 1968-2000 J. Bowyer Bell,2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle

International Milk Dealer ,1925

The Secret Societies of Ireland Hugh Bertie Campbell Pollard,1922

One Man's Terrorist Daniel Finn,2021-06-29 A history of the Troubles the radical politics of Republicanism The conflict in Northern Ireland was one of the most devastating in postwar Europe Based on extensive archival research One Man's Terrorist explores the relationship between the IRA a highly capable and ruthless clandestine army and the political movement that developed alongside it to challenge British rule Finn shows how the radical history of the IRA shaped modern Ireland In the light of Sinn Féin's unprecedented electoral success in the Republic of Ireland and the ongoing Brexit saga with its impact on Northern Irish politics this book supplies the essential background for an understanding of today's events

The I.R.A. at War Eamonn O'Doherty,1985

California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., Received document entitled APPELLANTS SUPPLEMENTAL BRIEF

U.S. Master Tax Guide (2008) CCH Incorporated,2007-12 This classic reference provides helpful and practical guidance on today's federal tax law and reflects all pertinent federal taxation changes that affect 2007 returns Contains timely and precise explanations of federal income tax for individuals partnerships corporations and trusts as well as new rules established by key court decisions and the IRS

A Short History of the IRA Brendan O'Brien,2019-01-21 An accessible clearly written account of the IRA from 1916 to today It covers the origins and history of the organisation its aims the political and military thinking which has driven its activities and the major personalities who have shaped the direction of the movement down through the years The relationship with the Irish and British governments is examined as well as the effects of the major bombing campaigns and the 1981 hunger strikes It also explains the radical shift in thinking which led to the IRA seeking a

political way towards the goal of Irish unity rather than pursuing the entrenched Brits Out policy at the point of a gun The background to the IRA ceasefire and the many factors which contributed to its ending are looked at as well as the prospects for a lasting peace in one of the world s most troubled arenas With a new chapter that brings us as far as 2018 this book has everything you need to know about the IRA

A Pocket History of the IRA Brendan O'Brien,1997 An accessible clearly written account of the IRA from its beginnings to today It covers the origins and history of the organisation its aims the political and military thinking which has driven its activities and the major personalities who have shaped the direction of the movement down through the years The relationship with the Irish and British governments is examined as well as the effects of the major bombing campaigns and the 1981 hunger strikes It also explains the radical shift in thinking which led to the IRA seeking a political way towards the goal of Irish unity rather than pursuing the entrenched Brits Out policy at the point of a gun The background to the IRA ceasefire and the many factors which contributed to its ending are looked at as well as the prospects for a lasting peace in one of the world s most troubled arenas This is intended as an easy to read overview of the IRA and the Northern situation accessible to both the tourist and the interested general reader
