

## NIGHTWALKER

The Negative Plane is a place of darkness and death, anathema to all living things. Yet there are those who would tap into its fell power, to use its energy for sinister ends. Most often, when such individuals approach the midnight realm, they find they are unequal to the task. Those not destroyed outright are sometimes drawn inside the plane and replaced by nightwalkers, terrifying undead creatures that devour all life they encounter.

**Mighty Spawn.** One can reach the Negative Plane from the Shadowfell, much in the same way that it is possible to step from the Material Plane into the Shadowfell in a place where the barrier between the planes is thin.

Stepping into the Negative Plane is tantamount to suicide, since the plane sucks the life and soul from such audacious creatures and annihilates them at once. Those few who survive the effort do so by sheer luck or by harnessing some rare form of magic that protects them against the hostile atmosphere. They soon discover, however, that they can't leave as easily as they arrived. For each creature that enters the plane, a nightwalker is released to take its place. In order for a trapped creature to escape, the released nightwalker must be lured back to the Negative Plane by offerings of life for it to devour. If the nightwalker is destroyed, the trapped creature has no hope of escape.

**Beings of Anti-Life.** One can discern the nature of creatures trapped in the Negative Plane from the sites that nightwalkers frequent. Generally, a nightwalker on the Material Plane is attracted to elements of the world associated with the creature responsible for its creation. Such interest doesn't indicate a willingness to engage with the world; nightwalkers exist to make life extinct and never to serve living things.

**Undead Nature.** A nightwalker doesn't require air, food, drink, or sleep.
