*The Circus Fire* Stewart O'Nan, 2001-06-12 The acclaimed author of *Emily Alone* and *Henry Himself* brings all his narrative gifts to bear on this gripping account of tragedy and heroism the great Hartford circus fire of 1944 It was a midsummer afternoon halfway through a Ringling Brothers Barnum and Bailey Circus performance when the big top caught fire The tent had been waterproofed with a mixture of paraffin and gasoline in seconds it was burning out of control More than 8 000 people were trapped inside and the ensuing disaster would eventually take 167 lives Stewart O Nan brings all his narrative gifts to bear on this gripping account of the great Hartford circus fire of 1944 Drawing on interviews with hundreds of survivors O Nan skillfully re creates the horrific events and illuminates the psychological oddities of human behavior under stress the mad scramble for the exits the perilous effort to maneuver animals out of danger the hero who tossed dozens of children to safety before being trampled to death Brilliantly constructed and exceptionally moving *The Circus Fire* is history at its most compelling

*Women and Children First* Donald H. Roy, 2008 Twenty three days after the horrible Hartford circus fire July 6 1944 I was born in Hartford Connecticut My mother and aunt lived but 700 feet from the circus grounds Growing up so close to the circus grounds caused me to be haunted by this fire which no one spoke about much and no one adequately explained In the 1980s I began some research on the circus fire and eventually discovered a unique way of retelling this fire s long story First and foremost remember the personal characteristics of those who died then read the documentary account of the fire over the years and in the process consider this author s reflective commentary Starting in the late 1980s I began writing public policy dialogues which turned into five books *Dialogues in American Politics* *Public Policy Dialogues* *Reuniting America* *Eleven Multicultural Dialogues* *The Dialogic Resurgence of Public Intellectuals and State Governments* *Institutions and Issues* My preferred way of writing is dialogic since in politics there are always many different compelling voices and perspectives to consider In this circus fire book there is a dialogue between the documentary evidence the many voices and my own commentary *Growing up a New Englander* puts me in that tradition of seeking public accountability thus the underlying persistent theme of this book
