The Comedy Of Desire:

The Comedy of Desire Nils Peterson,1994-05-01 Peterson writes lively narrative comedy with a fine flair for embarrassing situations of the idealistic lover This is a book of humor and grace Robert Bly **Shakespeare's World: The Comedies** John Pendergast,2019-12-02 With summaries discussions and excerpts from primary source documents this book examines Shakespeare s world through careful consideration of the historical background of four of his comedies Comedy was popular during the Renaissance and it was also one of Shakespeare s specialties The four plays discussed in this book A Midsummer Night s Dream The Merchant of Venice Twelfth Night and The Tempest span Shakespeare s career and remind us that Shakespeare more than any of his contemporaries explored the possibilities of comedy consistently developing new approaches to the genre Shakespeare was a fairly traditional playwright well aware of the long tradition of comedy which dates back to the Greeks and Romans This book places Shakespeare s comedies in their historical context It includes dedicated chapters on each of the four comedies with each chapter providing a plot summary a discussion of the play s historical background and significance and excerpts from primary source documents related to the play An introduction surveys the historical background of the plays while a timeline chronicles key events that influenced them Suggestions for further reading direct readers to additional sources of information Desire : an Experiment in Comedy Toronto Free Theatre Archives (University of Guelph),1985 The Sad Comedy of El dar Riazanov David MacFadyen,2003 Russia s funniest and most popular films are the work of l dar Riazanov a director whose light lyrical tales of love lost and found have garnered audiences of over one hundred million Although Western scholars have largely ignored Riazanov s oeuvre in favour of more serious filmmakers no director in Russia has been so loved by both the public openly and politicians covertly His early comedies mapped the relations between society and socialism allowing him to create a radically apolitical art of kindness and kindred spirits David MacFadyen investigates what made Riazanov s films so wildly popular and what if any relationship that popularity had to Soviet policy Using the works of Deleuze Lacan and Kristeva MacFadyen looks at how Riazanov s films relate to society audience demand and Soviet politics In more than twenty love stories that have precious little to do with statecraft Soviet or otherwise Riazanov captures the willful inclusiveness of socialist culture *Shakespeare* David M. Bergeron,Geraldo U. de Sousa,1987 This updated edition should be welcomed by anyone interested in Shakespeare Particularly useful are its pithy introductions and bibliographies on various critical approaches David Bevington editor of Complete Works of Shakespeare A handy compact map to the changing and contested field of Shakespeare studies Bruce R Smith author of Homosexual Desire in Shakespeare s England Copyright Libri GmbH All rights reserved **Desire** Canadian Stage Theatre Archives (University of Guelph),1985 *A Cultural History of Comedy in the Early Modern Age* Andrew McConnell Stott,2021-12-30 Drawing together scholars with a wide range of expertise across the early modern period this volume explores the rich field of early modern comedy in all its variety It argues that early modern comedy was shaped by a

series of cultural transformations that included the emergence of the entertainment industry the rise of the professional comedian extended commentaries on the nature of comedy and laughter and the development of printed jestbooks It was the prime site from which to satirize a rapidly changing world and explore the formation of new social relations around questions of gender authority identity and commerce amongst others Yet even as it reacted to the novel and the new comedy also served as a receptacle for the celebration of older social rituals such as May games and seasonal festivities The result was a complex and contested mix of texts performances and concepts providing a deep tradition that abides to this day Each chapter takes a different theme as its focus form theory praxis identities the body politics and power laughter and ethics These eight different approaches to early modern comedy add up to an extensive synoptic coverage of the subject Desire Richard Rose Collection, Dorian Clark, John Krizanc, Richard Rose, Necessary Angel Theatre Company, 1984 *The Bancrofts* Marie Bancroft, Squire Bancroft, 1909 **The American Mercury** Henry Louis Mencken, 1929 *The Plays of William Shakespeare: The comedies* William Shakespeare, 1874 *Desire* Michel Marc Bouchard, Centre des auteurs dramatiques (Montréal, Québec), 1997 **The Comedies of Terence** Publius Terentius Afer, 1898 The Theosophical Path Katherine Augusta Westcott Tingley, Gottfried Purucker, 1926 Mr. & Mrs. Bancroft on and Off the Stage Squire Bancroft, 1888 *The Comedy of Democracy* James E. Combs, Dan D. Nimmo, 1996-02-28 The notion of society and politics as drama has drawn much attention in recent years Yet despite the heritage begun by Aristophanes few students of politics and the social order have taken comedy and comic inquiry seriously This book revives the Aristophanic notion of democracy as comedy Herein the reader will find why and how different aspects of American democracy public opinion interest groups the presidency and so on are comic It is the author's contention that the comic perspective offers insight and understanding on the actual operation of democracy And they invite all those who wish to understand why American democracy is so comic to join them in their inquiry The Drama of Sensibility Ernest Bernbaum, 1915 **Shakespeare Commentaries** Georg Gottfried Gervinus, Fanny Elizabeth Bunnett, 1875 **The Complete Concordance to Shakespeare** Mary Cowden Clarke, 1894 The Cosmopolitan, 1910
